

CONSULTANT RADIATION ONCOLOGIST

AL Amal Hospital DOHA, QATAR

An opportunity is available for an experienced Radiation Oncologist at Al Amal Hospital – Doha, Qatar. The department operates within the national Cancer Centre and is equipped with two Varian linear accelerators (1 Trilogy and IX) both configured with OBI, RapidArc and gating, one Siemens CT-SIM unit, a GE Optima wide bore MRI-SIM unit, all interfaced to AW AdvantageSIM and the ECLIPSE treatment planning system. Brachytherapy is provided with a Nucletron HDR unit. The department operates a paperless working model, is JCI accredited and recently successfully completed the IAEA QUATRO radiation therapy audit.

Services provided include radiation therapy treatment (IMRT, IGRT, RapidArc), and brachytherapy. There is a joint Radiosurgery program with the Department of Neurosurgery which will expand to include extra-cranial sites when we introduce 4D-CT SIM in late 2011. There are ample opportunities for interactions with colleagues, including tumor board, faculty meetings and participating in clinical pathway development.

We are looking for board certified Radiation Oncologists with at least three years post qualification experience in a European, North American or Australian/New Zealand cancer centre. We will offer an attractive package to successful candidates including a generous tax free basic salary + market allowance, 50 calendar day's vacation, five local casual days, transport allowance, car loan facility, accommodation, annual return flights for you and your family and education for up to three dependents. We support CPD by providing an annual conference entitlement after a qualifying period. Contracts are for three years initially, with an end of service gratuity of one month's salary for each year worked.

Doha is the capital city of the State of Qatar, home to the 2022 World Cup and a growing and vibrant city with a myriad of cafes, restaurants and sporting venues and a beautiful harbour. The city hosts the Doha Tribeca Film Festival, and is an excellent gateway for travel to Europe, Asia and the Far East. If you are interested in joining our team, we would like to hear from you! Informal enquires to Mr. Rabih Hammoud – Chair – Search Committee (RHAMMOUD2@hmc.org.qa). To apply, please forward a covering letter and your Curriculum Vitae to rgatdula@hmc.org.qa.
