

CONFERENCES

5th Seminar of HITRIplus

Wednesday, 16 February, 2022 from 17.00 CET, Online

Dear Colleagues and Members of the ENLIGHT network,

For those of you that are following HITRIplus project, we would like to remind you that our next HITRIplus seminar (<https://hitriplus.eu/>) will take place on **Wednesday, February 16, 2022 from 17.00 CET on Zoom**. Our colleagues and partners from Marburg Ion Beam Therapy Center - Prof. Klemens Zink, Dr. Ulrike Schotz and Dr. Kilian-Simon Baumann will present *Marburg Ion Beam Therapy Center: Innovations in Physics and Radiobiology*.

As usual, we welcome suggestions for speakers for the future. Please forward and share this information with those who might be interested in attending the seminar.

Information for the seminar can be found here <https://indi.to/rfzMz>, we kindly ask you to register.

With best wishes,
Manjit Dosanjh
ENLIGHT Coordinator
HITRIplus Networking Activities Pillar Coordinator
