AAPM
SPRING CLINICAL MEETING

2021

April 17-20 | VIRTUAL

**Register for the AAPM Virtual Spring Clinical Meeting
April 17-20, 2021
with a reduced registration rate for
individuals residing in AAPM recognised developing countries
of only \$100USD**

Due to continuing health concerns related to the spread of the coronavirus (COVID-19) and resultant travel restrictions, the 2021 American Association of Physicists in Medicine (AAPM) Spring Clinical Meeting will be a fully-virtual meeting. We are confident this virtual experience will provide great Spring Clinical Meeting content, including SAM credits, MPCEC hours and engagement with vendors.

Perhaps you have always wanted to attend the AAPM Spring Clinical Meeting in years before, but you have been unable given the necessary registration, travel, and lodging costs. Virtual meetings have universal ease-of-access - you can **participate from anywhere** you have an internet connection. **And the TOTAL cost will be \$100USD.**

Sounds good? Take a moment to review the [meeting program](#), and compare it to your own schedule. When doing so, please note: the virtual meeting program will be held in Eastern Time (GMT-4:00).

To register for the AAPM Virtual Spring Clinical Meeting for just \$100USD, please go to the [website](#) at the bottom of the page, check the list, and fill out the form if eligible. You must submit the form during the registration process. You can then use this [direct link](#) to register. If you have any questions send an email to [Corbi Foster](#).

We wish you, your families, and your communities well in these difficult times. Take care, stay healthy - and hopefully we'll "see" you ONLINE at the AAPM Virtual Spring Clinical Meeting!
