General Rules and Regulations for Exhibitors

1. Introduction

The European Society for Radiotherapy and Oncology, hereinafter referred to as “ESTRO”, has established the following *ESTRO Rules and Regulations for Exhibitors*, hereinafter referred to as the “Rules and Regulations” to ensure compliance with laws, rules and contracts related to the participation of the Industry to the ESTRO meetings and conferences. These Rules and Regulations form a bona fide part of all contracts signed between the companies exhibiting, their staff and their subcontractors (hereinafter referred to as *Exhibitor*) and ESTRO. ESTRO reserves the sole right to render all interpretations, amend and enforce these rules and regulations, and to establish any and all further regulations not specifically covered below to assure the general success and wellbeing of the **ESTRO Meets ASIA** conference (hereinafter referred to as *Event*). All Exhibitors agree to abide by these regulations and any amendments or additions hereafter made by ESTRO.

2. Purpose

The purpose of the Event is to further ESTRO’s objectives by providing a supportive platform bringing together exhibition, educational and social networking opportunities.

3. Eligibility

ESTRO has the sole right to determine the final eligibility and qualification of any company, organisation, agency or product for inclusion in the exhibition hall. Only the “Exhibitor”, as identified on the space rental application and whose application has been written approved by ESTRO, may exhibit at the Event in the exhibition hall.

ESTRO reserves the right to refuse admittance of inappropriate or non-oncology related products or services to the exhibition unless they are deemed by ESTRO to add value to the overall conference experience for delegate. ESTRO’s decision and interpretation of these conditions shall be accepted as final in all cases.

New exhibitors to the Event or companies that have not taken part in the Event’s exhibition for 3 years may be required to submit a statement of their products/services offering.

4. Access to the exhibition hall

The access to the exhibition hall will be possible only for Exhibitors complying with the present rules and regulations and the Venue regulations, in order of payment with ESTRO and wearing the appropriate conference badge. Any exhibiting company failing to be in line with these conditions will be denied the access to the exhibition hall.

Note: Minors under the age of 18 are denied the access to the exhibition hall during build-up and break-down times.

5. Local rules and regulations

Exhibitors must comply with all applicable rules and regulations, including the rules and technical regulations of the Venue.

6. Booking procedure

- The booking procedure for Gold Corporate Members will start on Monday 6 May 2019.
- The booking procedure for Corporate Members will start on Monday 13 May 2019
- The booking procedure for Non-members will start on Friday 24 May 2019.

Applications should be made via email to hyilmaz@estro.org by indicating option 1 (1st preference), option 2 (2nd preference), option 3 (3rd preference), followed by the number of the corresponding booth. These preferences serve as guidance only and the decision between these 3 options will be the sole responsibility of ESTRO. In case all three of these options are already booked, ESTRO will contact the Exhibitor for an alternative solution.

Bookings will be treated on a first-come, first-served basis and will be completed as soon as the corresponding booking form duly completed has been sent to ESTRO and written confirmation of order has been given by ESTRO. The corresponding service will be delivered after corresponding payment in full has been received by ESTRO.

7. Confirmation of order

Once the application form has been submitted by the Exhibitor to ESTRO and once the Exhibitor has received from ESTRO the written confirmation of order, the order is officially confirmed, and the Exhibitor is legally bound by the Rules and Regulations and the Payments and general Terms and Conditions of Sales and Services as set out in this document.

Note: Confirmation of orders should be sent by ESTRO to the Exhibitor within one week after the receipt of the application form. In case of no feedback from ESTRO after one week, please contact hyilmaz@estro.org

8. Exhibition space allocation

While every effort will be made to preserve the original version of the exhibition floor plan, ESTRO reserves the right to rearrange the floor plan or relocate any booth at any time, in the best interests of the exhibition. The Exhibitor shall have no claim against ESTRO in respect of any change of lay-out.

While every effort will be made to assign the Exhibitor the best space according to his/her request, ESTRO cannot guarantee that the Exhibitor will not be placed next to or near a competitor.

9. Cancellation policy
