THE WORLD CONGRESS OF BRACHYTHERAPY

2-4 April 2020

Vienna, Austria

The World Congress of Brachytherapy (WCB) starts on *Thursday April 2nd* and ends of *Saturday April 4th, 2020*. It will take place in Messe Wien Congress Center, the same venue as the ESTRO Annual Congress, using Hall C for both the conference and networking. As the exhibition of the ESTRO Annual Congress will only open on Friday April 3rd in the evening, we wanted to provide a low-cost “plug and play” opportunity to our industry partners to engage with this very dynamic community for the full duration of the WCB.

Therefore, a Brachy Village will be created next to the rooms where the conference will take place.

This village, as you can see from the picture below, consists of pre-built modules combined with networking spaces. The modules provide great brand visibility and an opportunity to easily network with the global leaders of brachytherapy. The only thing you need to do is provide us with your company logo.

The modules can be booked at the same time as the exhibition space of the ESTRO Annual Congress. The price per module is € 9,500 - all included.

- Carpet flooring
- Module Company name and booth number
- LED spotlights
- Basic daily cleaning (floor vacuuming)
- Structural build-up + dismantling
