						Virtual Satellite Symposium session as a follow-up of Congress

Sponsorship Packages Add-Ons

- Demo Promotion + (added in Exhibitor Directory) -**5000€***
Product demos will be promoted via 2 email blasts + added in Exhibitor Directory.
- Virtual Satellite Symposium Sessions- **15.000€**
The sessions will take place during the congress dates of ESTRO 2020 at lunch break. The virtual satellite symposium sessions are promoted via email blast to congress attendees.
- ESTRO App- **10.000€**
Display of your logo on the install, welcome and intro screens of the ESTRO event app
- Promotions of virtual satellite symposium/product launch sessions pre-Congress- **15.000€**
The promotion of the sessions will be done by ESTRO via 3 email blasts to your target audience. The session will be made available in the e-library of ESTRO and it will be visible to everyone including non-members. Monthly click report of the session will be provided. ESTRO can provide the webinar & registration platform if needed.
- Start-up Corner Exhibitors- **2500**
- Moderated Chat Sessions- **2500€**
The companies can purchase 15-minute presentation slot which will be made available in the "Networking Lounge" during coffee break times of the congress. A moderator from the presenting company will be appointed to this moderated chat session and the chat will only be accessible during the timeslot allocated to the companies. You can use this chat function as an opportunity to make a short presentation as well and can add a video, image or even a live video link to the left side of the chat screen. (see below)

The moderator can answer questions or react to comments of attendees. The maximum number of people that can attend to this chat session is 500. A reminder notification will be sent to all online attendees 5 minutes before the chat session starts, encouraging them to attend the session. The moderated chat session schedule will also be inserted in Exhibitor Directory.

**This opportunity is already included in Package 6 and Custom Package and can also be provided for Package 1, 2, 3, 4 & 5 with an additional price*
