Frequently Asked Questions 36

Dear Industry Partners,

We are pleased to present to you the ESTRO Industry Guide 2022/2023. The guide provides a clear overview of the different opportunities ESTRO offers you to connect with the global radiation oncology community via our congresses, workshops and courses.

The infographics in this guide demonstrate the growing importance of the ESTRO congresses and workshops as platforms for exchange of knowledge, debate and networking around radiation oncology, attracting thought leaders and decision makers from across the globe.

The continued support from our Industry Partners has been instrumental in achieving this success. We hope that this guide will help in further developing our partnership and taking ESTRO's congresses and workshops to the next level.

This guide covers:

- **The ESTRO Corporate Membership**

- **The 2023 ESTRO Annual Congress**
Vienna, Austria | 12-16 May 2023

- **The 2022 ESTRO Courses**

- **The 2022 ESTRO Workshops**

- **ESTRO Physics workshop**
Lisbon, Portugal | 7-8 October 2022
- **GEC-ESTRO workshop**
Nice, France | 1-2 December 2022

We do hope that this guide provides you with all the information required to fully engage with the radiation oncology community and we look forward to continuing our collaboration.

Hande Van Gestel
Exhibition Project Manager

ESTRO Corporate Membership

“ESTRO corporate membership offers many opportunities for companies to engage with a continuously growing community of radiation oncology specialists across the globe. It is our ambition to make that engagement evolve into a true partnership in which ESTRO is the bridge between our corporate partners and all the communities involved in radiation oncology”

「Opportunities for ESTRO corporate members」

ESTRO congresses

Both in Europe and Asia, ESTRO congresses attract a growing number of healthcare professionals every year, in order to discuss the current state and future challenges of radiation oncology. As a corporate partner, you will have the opportunity to engage with this global community and truly connect with your target audience.

ESTRO workshops

ESTRO workshops allow radiotherapy specialists to discuss the most recent scientific developments in specific areas before these are published. They are extremely focussed and represent a perfect opportunity to have in-depth engagement with an audience on a specific topic.

ESTRO courses

Organised on a global scale, ESTRO courses are the core of our educational programme. Tens of thousands of healthcare professionals have attended these courses, gaining the knowledge required to take the next step in their professional careers.

「Corporate members benefits」

	Gold Corporate	Corporate
General	Visibility in Corporate Members Directory on ESTRO website	√
	Priority in maintaining sponsored items for the following year*	√
	Complimentary individual corporate representative members	5
	Invitation to sit on the ESTRO Advisory Corporate Council	√
	Visibility in the ESTRO annual report	√
	Preferential fee for company delegates during teaching courses	√
	NEW Promotion of 2 virtual satellite symposium sessions via email blasts	√
	NEW Scientific & educational collaboration with ESTRO Executive Council	√
	NEW Creation of Joint Research Projects with ESTRO Executive Council	√
ESTRO congresses and activities (excl. joint events)	Priority to book exhibition space, advertising, sponsoring, satellite symposia	√
	Full exhibitor badges per each 9 sqm rented	2
	Regular exhibitor badges per each 9 sqm rented	1
	Preferential fee on company exhibitors' badges (teaching courses only)	√
	Acknowledgement in Exhibitor Directory	√
	Company name marked in exhibitor list	√
	Access to pre build-up day for ≥ 100 sqm rented booths (Annual Conference Only)	√
	Possibility of personal appointment to collect exhibitors badges	√
	Invitation to the Presidential Reception (annual congress only)	2

* It does not apply to the onsite advertising options. It is only valid for the sponsorship of Congress Material, Super Run and the Stage. If another company shows interest in the sponsorship of these above-mentioned items in the following year, the sponsor of the previous year will be contacted first.

The past two years have been crucial as they presented us with the challenge of giving new momentum to our Society after the shock caused by the Covid-19 pandemic. By building on the lessons learned in 2020 and 2021, and by leveraging the opportunities offered by the digital environment, we were able to offer our community a rich and diverse portfolio of activities.

The ESTRO Annual Congress has been growing steadily over the last decade and attracted a record high number of over **6,633 participants** during the **2019 edition in Milan** and over **5,600 participants** during the **2022 edition in Copenhagen**.

The conference programme has been expanded to offer over 230 sessions that fall under the 7 programme disciplines: Brachytherapy, Clinical, Interdisciplinary, Physics, Radiobiology, RTT and Young programmes. The wide range of topics are tackled in various formats, from teaching lectures, symposia, debates and proffered papers, to the newly devised pitch sessions, mini-orals and poster highlights. The focus of the recent changes has been to increase audience interaction and knowledge exchange. The congress is usually accredited with 25 CME hours.

We hope you find the offer described below appealing and are of course open for any suggestions which could make our annual congress an even bigger success.

	15 May 2023	Dismantling (as from 16:00)
	15-17 May 2023	Dismantling

*A few adjustments can be made later depending on the final program.

Please note that priority in bookings are given to 2023 gold corporate members and then 2023 corporate members.

Once the gold and corporate members are placed on the floorplan, the bookings will be open to non-members.

The applications for 2023 ESTRO corporate membership will be launched on **3 October 2022**.

「Venue」

The ESTRO 2023 Annual Congress will be held at:

Reed Messe Wien
Messeplatz 1
(Entrance Foyer A)
A-1020, Vienna, Austria
www.messecongress.at

Messe Wien Exhibition & Congress Center is centrally located, yet close to Vienna's famous Prater Park and around the corner from the campus of the new Vienna University of Economics and Business, the Sigmund Freud Private University and the modern, green "Viertel Zwei" business and residential area.

Ideal transport links

An underground station is located a stone's throw away from Entrance A.

U2: Messe - Prater

The Vienna International Airport is only 20 minutes away by taxi.

Venue overview:

「Exhibition price list」

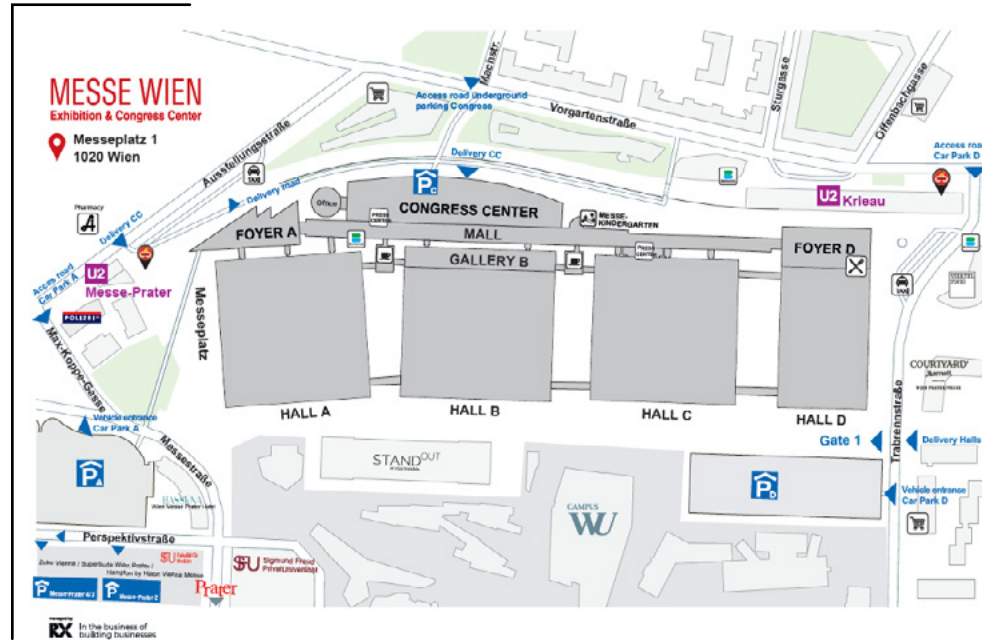

Product	Features
Space rental	Floor rental
	Visibility in the Exhibitor Directory, Congress App and Online Congress Platform
	1 exhibitor badge per 3 sqm rented
	Price: € 500/sqm with a minimum of 9 sqm
Space rental & modular shell scheme	Floor rental and modular booth package
	Visibility in the Exhibitor Directory, Congress App and Online Congress Platform
	1 exhibitor badge per 3 sqm rented
	Price: € 600/sqm with a minimum of 9 sqm
Space rental & modular shell scheme for start-ups*	Floor rental and 6 sqm modular booth package
	Visibility in the Exhibitor Directory, Congress App and Online Congress Platform
	2 exhibitor badges
	Price: € 3,000
Networking space for Spinoffs**	1 table, 2 chairs & 1 pull-up banner at ESTRO Village <i>(no additional furniture is allowed)</i>
	Visibility in the Exhibitor Directory, Congress App and Online Congress Platform
	2 exhibitor badges
	Price: € 1,500

The minimum rent surface is 18 sqm for pharmaceutical companies.
*start-up: company which has been in business less than 3 years and has fewer than 10 employees
**spin-off: companies in development state from universities. Not open to commercial entities.

Satellite Symposia

Satellite symposia are the ideal way of engaging with the congress audience and presenting your products and services through a live session in the congress center premises. These sessions are not part of the official scientific programme.

At ESTRO's annual congress, the satellite symposia are organised during the lunchbreak. Following slots are available:

Friday 12 May 2023 During lunch break

Exclusive slot*

Saturday 13 May 2023 During lunch break

€ 15,000

Sunday 14 May 2023 During lunch break

€ 15,000

Monday 15 May 2023 During lunch break

€ 15,000

*The exclusive satellite symposium slot on Friday is reserved for pharmaceutical companies only.

A satellite symposium includes:

- Rent of the meeting room for the duration of the symposium
- Standard equipment and room set-up
- AV technician
- 1 hostess
- Possibility of roll-up (dimensions 2m*85cm) displayed the morning before your event in the registration area (artwork to be submitted to ESTRO for written approval). The production of the roll-up can either be done by the company or by ESTRO.
- Inclusion of the satellite symposium agenda in the Exhibitor Directory, app and online programme
- Email blast listing the satellite symposia agenda sent by ESTRO prior the congress to pre-registered participants (in accordance with the GDPR policy)

Extra AV and branding packages for your satellite symposium will be provided closer to the event.

Overview of available rooms for satellite symposia, all located in the conference area:

Room name	Date	Capacity*
Lehar 1-2-3	Sat 13 May - Mon 15 May 2023	700
Lehar 4		170
Strauss 1		440
Strauss 3		470
Schubert 1-6		750

*The capacity of the rooms might change slightly depending on the final design of the rooms.

Advertising opportunities

Below you will find an overview of opportunities to increase your brand visibility during the congress. Please note that each opportunity is offered in exclusivity – your logo will be the only one visible when purchasing one of the opportunities. The only exception are the advertisements in the digital Exhibitor Directory.

If you book a set of items for ESTRO 2023 (at least 3 items or more listed below), you will get a 10% discount on the total amount to be paid.

Area	Description	Price
Lanyards (quantity: 8,000)	Display of your logo on the lanyards distributed to all participants, speakers and ESTRO representatives	€ 10,000 + production
Health-Corners in exhibition Hall (4 areas)	Display of your logo in the area where fruits and coffee are distributed and additional visibility by display of your logo on the coffee cups	€ 10,000 + production
Event App	Display of your logo on the home page of ESTRO event app	€ 10,000
Wi-Fi	Display of your logo on the Wi-Fi landing page	€ 10,000
Exhibitor Directory (digital)	Display of your advertisement in the key document for all participants, available on the ESTRO website	€ 2,000

The venue also offers a wide range for on-site advertising. The onsite advertising catalogue will be made available closer to the event.

Meeting rooms

Sometimes, you may need a space where you can meet with your customers to discuss or give a presentation to a selected audience.

The following highly-equipped rooms can be rented **for ½ day (€ 1,000) or a full day (€ 2,000)**.

Location	Room name	Capacity	
		Theatre	Boardroom
Floor +1 (mezzanine exhibition)	Galerie 1	13	10
	Galerie 2	13	10
	Galerie 3/4	50	30
	Galerie 5/6	50	30
	Galerie 7	13	10
	Galerie 8	13	10
	Galerie 13	13	10
	Galerie 14	13	10
	Galerie 15	30	20
	Galerie 16	13	10
	Galerie 17	13	10
	Galerie 18	30	20
	Galerie 19	13	10
	Galerie 20	13	10

Please note that the capacity of the meetings rooms might change slightly depending on the final design of the rooms.

Lead Retrieval

ESTRO offers the possibility to rent lead retrieval devices at very accessible prices. Our participant terms and conditions permit the maximal sharing of data with you, while being in full compliance with the General Data Protection Regulation (GDPR). More information about lead retrieval systems will be available on our website.

ESTRO SCHOOL 2022

List 2022 Courses

The 2023 calendar will be available as of October 2022.

POSTGRADUATE COURSES

Research course in Radiotherapy Physics
27-30 March | ONLINE

Accelerated Partial Breast Irradiation
28-30 March | ONLINE

Advanced Skills in Modern Radiotherapy
3-7 April | Sevilla, Spain

Evidence Based Radiation Oncology
23-27 May | ONLINE

Clinical Practice and Implementation of Image-Guided Stereotactic Body Radiotherapy
24 May - 30 June | ONLINE

Positioning and Immobilisation for Radiotherapy
28-29 May | Budapest, Hungary

Particle Therapy
29 May - 2 June | Aarhus, Denmark

IMRT/VMAT and Other Highly Conformal Techniques in Practice
29 May - 2 June | Ljubljana, Slovenia

Physics for Modern Radiotherapy (a Joint Course for Clinicians and Physicists)
5-9 June | Bucharest, Romania

Comprehensive Quality Management in Radiotherapy – Risk Management and Patient Safety
19-22 June | Lisbon, Portugal

Target Volume Determination – From Imaging to Margins
22-24 June | ONLINE

Comprehensive and Practical Brachytherapy
26-30 June | Mexico City, Mexico

Image-Guided Radiotherapy and Chemotherapy in Gynaecological Cancer
30 June - 3 July | Kolkata, India

Combined Drug-Radiation Treatment: Biological Basis, Current Applications and Perspectives
10-13 September | Cairo, Egypt

Basic Clinical Radiobiology
10 - 14 September | ONLINE

Image-Guided Radiotherapy and Chemotherapy in Gynaecological Cancer
19-22 September | Lisbon - Portugal

Advanced Treatment Planning
25-29 September | Madrid, Spain

Image-Guided Radiotherapy in Clinical Practice
2-6 October | Ljubljana, Slovenia

Advanced Physics for Brachytherapy
9-12 October | Athens, Greece

Multidisciplinary Management of Head and Neck Oncology
9-12 October | Lyon, France

In-Room MRI Guided RT BLENDED COURSE
Start 6 October | ONLINE
6 - 8 November | LIVE in Amsterdam, The Netherlands

Research Course in Translational Radiation Biology and Oncology
6-9 November | Brussels, Belgium

Foundation of Leadership in Radiation Oncology
9 & 30 Nov, 1 & 5 Dec | ONLINE

Advanced Technologies
10-13 Nov 2022 | Kolkata, India

Multidisciplinary Management of Non-melanoma Skin Cancer
24-25 November | ONLINE

Best Practice in Radiation Oncology - Train the RTT (Radiation Therapists) Trainers - Part I
28 Nov - 2 Dec | Brussels, Belgium

Multidisciplinary Management of Lung Cancer
1-3 December | Brussels, Belgium

Quantitative Methods in Radiation Oncology: Models, Trials and Clinical Outcomes
4-7 December | Lisbon, Portugal

PRE-MEETING COURSES

Pre-Meeting Courses at ESTRO 2022
6 May | Copenhagen, Denmark

UNDERGRADUATE COURSES

ESO-ESSO-ESTRO Multidisciplinary Course in Oncology for Medical Students
22 August - 2 September | Antwerp, Belgium

◆ MULTIMODAL CANCER TREATMENT ◆ RADIO THERAPY TREATMENT PLANNING AND DELIVERY
◆ IMAGING ◆ RESEARCH ◆ BEST PRACTICE ◆ BIOLOGY

「Possibilities for company participation」

Option	Description	Visibility	Price
Booth Space	Booth for commercial representation during the whole duration of the course to promote your products/services	Onsite visibility	€ 3,500
Satellite Symposium*	A non-exclusive, non-commercial educational symposium that will be held outside the programme schedule, in the morning before the start of the course or at the end of the day.	An invitation for the satellite symposium (to be provided by the company to ESTRO) will be sent to participants upon registration to the course	€ 3,000
		Display of roll-up for promotion of the satellite symposium	
		Announcement of the satellite symposium on the ESTRO School website.	
Exclusive Satellite Symposium*	An exclusive, non-commercial educational symposium that will be held outside the programme schedule, in the morning before the start of the course or at the end of the day.	An invitation for the satellite symposium (to be provided by the company to ESTRO) be sent to participants upon registration to the course	€ 6,000
		Display of roll-up for promotion of the satellite symposium	
		Announcement of the satellite symposium on the ESTRO School website	
		The sponsor receives 5 complimentary registrations to the course. The registrations can be used by the sponsor's users, the company delegates or others with the prior approval of ESTRO	
Educational Contribution	Companies can be invited by the course director to provide an educational contribution to the course programme in the format of a demo, a hands-on session or a contribution to a forum.	The educational contribution does not entitle the company to any other kind of visibility that the one provided within this educational contribution frame.	Free

*Subject to faculty approval

Live Courses

For the live courses, we also offer the possibility to sponsor:

- Lanyards
- Pens
- Notepads

These items will be distributed during all the live courses that take place during the year. The relevant booking form can be found [here](#).

Online Courses

Here are the opportunities for the online courses:

- Participation in the teaching course*
€ 2,500

*The participation of the company is defined by the Course Directors. Promotion of virtual company session by email blasts to participants of the online course is included in the package.

The financial contribution to the online courses includes a complimentary registration for one company delegate. Any additional company delegates will have to pay the regular registration fee.

For more information and pre-registration forms for the courses, you can directly contact:

Hande Van Gestel
M hyilmaz@estro.org

2022 ESTRO Workshops

The ESTRO workshops offer opportunities beyond what ESTRO offers in education meetings and congresses. They aim to facilitate scientific and professional networking opportunities and to create close interaction with developers in companies. The workshops are the perfect forum to share projects in their very initial stage, that would benefit from discussions with colleagues. We believe that by promoting these interactions we will capture scientific development that could be applied and have a real impact on the cure for cancer.

Following workshops are planned for 2022:

- 1_ **2022 ESTRO Physics Workshop**
7-8 October | Lisbon, Portugal
- 2_ **2022 GEC-ESTRO Workshop**
1-2 December | Nice, France

Venue: **Lisbon**
 Date: **7-8 October 2022**
 Estimated number of participants: **approx. 160**
 Target audience: **Physics Community**

「General」

Format

- A list of topics is defined by the Physics Committee
- Participants are invited to register for one single topic – the number of participants is limited to stimulate discussion and guarantee interaction
- The workshop itself is a combination of invited talks by leading scientists and interactive participation by the delegates

Expected outcome

- Initiatives for new collaborative research
- Joint writing of a scientific paper or guidelines

「Key dates」

Description	Dates
Opening of booking	30 May 2022
Closure of booking	Availability depends on the venue First come, first served basis
Delivery of branded material to workshop venue	1-2 days prior to the event*

*Companies send their material directly to the venue.

「Sponsorship opportunities」

Opportunity	Description	Price
Booth	Booth space at the networking area (1 table, 2 chairs & backdrop or roll-up provided by sponsor)	€ 5,000
	2 exhibitors' registrations with access to the scientific sessions	
Sponsoring of lanyards	Logo of sponsor displayed on the lanyards provided to all participants, chairman and speakers	€ 2,000 + Production (300 units)
Workshop description (DIGITAL)	Name on workshop webpage + link to company website (including reporting on hits, clickthrough, etc)	€ 3,000
Email blast postcard	Company name + logo included in the email blast sent to all physics workshop participants	
Catering	Acknowledgement of the sponsor in the catering area at lunch time (roll-up, "sponsored by...")	TBC
Pack of 5 registrations	The sponsoring companies will receive an additional discount on all badge orders	10% discount
Roomdrop	Drop in hotel room of participants workshop (e.g. small functional gift)	€ 5,000
Brand at hotel entrance	Banner at hotel entrance where workshop takes place as of evening before event starts with possibility of "goodbye" banner on last day	
Brand on (DIGITAL) signage hotel	Brand mentioned on (DIGITAL) signage hotel	

*This option is only available for companies who do not have a booth at the workshop.

Sponsorship opportunities are also available to companies who do not have a booth space at the workshop.

Venue: **Nice**
 Date: **1-2 December 2022**
 Estimated number of participants: **approx. 200**
 Target audience: **Brachytherapy Community**

「General」

Format

- Three topics are defined by the Brachytherapy Committee
- Participants are invited to register for one single topic – the number of participants is limited to stimulate discussion and guarantee interaction
- The workshop itself is a combination of invited talks by leading scientists and interactive participation by the delegates

Expected outcome

- Initiatives for joint creation of new scientific ideas and workflows, impacting daily practice
- Creation of networks for future collaboration

「Key dates」

Description	Dates
Opening of booking	30 May 2022
Closure of booking	Availability depends on the venue First come, first served basis
Delivery of branded material to workshop venue	1-2 days prior to the event*

*Companies send their material directly to the venue.

「Sponsorship opportunities」

Opportunity	Description	Price
Booth	Booth space at the networking area (1 table, 2 chairs & backdrop provided by sponsor)	€ 7,500
	2 exhibitors' registrations with access to the scientific sessions	
	Brand visibility on the ESTRO website	
Sponsoring of lanyards	Logo of sponsor displayed on the lanyards provided to all participants, chairman and speakers	€ 2,000 + Production (300 units)
Workshop description (DIGITAL)	Name on workshop webpage + link to company website (including reporting on hits, clickthroughs, etc)	€ 3,000*
Email blast postcard	Company name + logo included in the email blast sent to all GEC-ESTRO workshop participants	
Catering	Acknowledgement of the sponsor in the catering area at lunch time (roll-up, "sponsored by...")	TBC
Pack of 5 registrations	The sponsoring companies will receive an additional discount on all badge orders	10% discount
Exclusive satellite symposium	Room including AV/IT technicians and material (same as used for the scientific sessions)	€ 10,000
	Possibility of promotional roll-up (to be provided by the sponsor) to be displayed in the registration area	
	Possibility to display promotional leaflets in the registration area (content to be approved by ESTRO)	
	Inclusion of the satellite symposium agenda in the workshop material	
	Inclusion of the satellite symposium agenda on the ESTRO website	
	Acknowledgement of the satellite symposium session by the chairman	

*This option is available for companies who do not have a booth at the workshop.

Sponsorship opportunities are also available to companies who do not have a booth space at the workshop.

Frequently Asked Questions

1. How many complimentary badges am I entitled to?

The number of complimentary badges you are entitled to depends on the sqm of your booth. ESTRO offers 3 exhibitor badges per 9 sqm rented.

- Gold Members receive 1 Regular + 2 Full Exhibitor badges per 9 sqm booked.
- Corporate Members receive Regular + 2 Full Exhibitor badges per 9 sqm booked.
- Non-corporate members receive 3 Regular badges per 9 sqm booked.

2. What is the difference between Full Exhibitor Badge and Regular Exhibitor Badge?

The regular exhibitor badge only gives access to the exhibition whereas the full badge gives access to both exhibition & scientific sessions.

3. How do I register my delegates for the exhibitor badges?

ESTRO will send you an excel file to fill before the event. In this file, you can see the types and number of complimentary badges you are entitled to. Once you fill in this file and send it back to hyilmaz@estro.org, your registration will be processed.

4. In addition to the complimentary badges I receive from ESTRO, how can I order extra exhibitor badges?

When you receive the registration file from ESTRO for the registration of your delegates, you can just add the name of your delegates that need the extra badges and indicate in the file the type of badges you would like (full or regular).

5. Is it possible to register onsite?

Yes, it is also possible to do your registrations onsite. Please be aware that the prices might change onsite.

6. I need an invitation letter for my visa application. How can I receive it?

To receive a visa invitation letter from ESTRO, first you need to register your delegates who need a visa invitation letter. Once your delegates are registered to the congress, we will prepare an invitation letter including your registration number and send it to you via email. You can contact hyilmaz@estro.org for your visa invitation requests.

7. Can I receive the pre-registration list?

Yes, it is possible to receive the pre-registration list. However, please keep in mind that ESTRO can no longer share the full list of participants because of GDPR. If you make a request for the pre-registration list, you will only receive the list of people who have given ESTRO their consent to share their contact details with the third parties.

8. Is lunch included in the registration fee?

The lunch is not included in the registration fee.

9. Can I organise meetings/social events during the Congress?

Yes, you can organise your meetings/social events **as long as** it does not overlap with the scientific programme and you should receive the written approval from ESTRO first. Please make sure to check the scientific programme on our website before planning any kind of events for the participants of the congress.

10. Can I distribute flyers/brochures at the venue?

It is allowed only within the limits of your own booth. Any promotional activity outside your booth is strictly forbidden.

11. Can I provide my own catering in my booth?

You need to receive a written approval from the official catering company. Unless this permission is acquired, the exhibitors cannot provide catering in their booth.

12. How can I place my orders for the exhibition? (furniture, carpet, electricity etc.)

For ESTRO 2023, you can use the exhibitor portal created by Messe. The link will be made available on our website closer to the event.

13. Is ESTRO responsible for the production of the roll-ups for the satellite symposia?

For the ESTRO annual congress, you have two options. You can either produce your own roll-ups for your satellite symposium or you can choose one of the extra branding packages we offer for your session and ESTRO can produce the roll-up for you.

For the other events, the companies are responsible for the production of their own roll-ups.

14. Can we record our demo sessions during the congress?

Yes, exhibitors are allowed to film the activities taking place inside their own booth space. Please make sure to check our media policy on our website for any articles or posts related to the scientific programme or society in general.

15. How long do the sessions remain available on demand on the online congress platform?

The online congress platform remains open at least 3 months after the event and you can have access to all scientific sessions on demand during this period if you are registered as a "full" exhibitor.
