

MASSACHUSETTS  
GENERAL HOSPITAL

HARVARD MEDICAL SCHOOL  
TEACHING HOSPITAL

**CHIEF  
DEPARTMENT OF RADIATION ONCOLOGY  
MASSACHUSETTS GENERAL HOSPITAL**

Massachusetts General Hospital is seeking an academic and clinical leader to serve as the Chief of the Department of Radiation Oncology and hold an academic appointment as Associate or Full Professor of Radiation Oncology at Harvard Medical School.

This individual will be responsible for the full scope of clinical, research and educational activities of the department as well as collaborative activities with the other departments, Mass General Cancer Center, Mass General Brigham System, Harvard Medical School, and other affiliated institutions.

Candidates will possess considerable leadership, managerial and collaborative skills, with a national/international reputation in Radiation Oncology. Candidates should have a clear vision for achieving excellence in clinical care, research, and teaching, in order to lead a complex and successful department to even higher levels of excellence. Massachusetts General Hospital is committed to ensuring our diverse community feels welcome, cared for, and valued. Candidates who have experience working with a diverse range of faculty, staff and patients, and who can contribute to the climate of inclusivity are encouraged to apply.

Potential candidates are requested to submit a letter expressing their interest and a current Curriculum Vitae to the email address below for consideration.

Committee Chair:

James Brink, MD.

Radiologist in Chief, Massachusetts General Hospital

Juan M. Taveras Professor of Radiology

Harvard Medical School

**Application Deadline: March 1, 2021**
