Dear Industry Partners,

We are pleased to present to you the ESTRO Industry Guide 2020/2021. The guide provides a clear overview of the different opportunities ESTRO offers you to connect with the global radiation oncology community via our congresses and workshops.

The infographics in this guide demonstrate the growing importance of the ESTRO congresses and workshops as platforms for exchange of knowledge, debate and networking around radiation oncology, attracting thought leaders and decision takers from across the globe.

The continued support from our Industry Partners has been instrumental for achieving this success. We therefore hope that this guide will help in further developing our partnership and taking ESTRO’s congresses and workshops to the next level.

This guide covers:

- The 2020 ESTRO Courses
- The 2020 ESTRO Workshops
  - ESTRO Physics workshop
    Budapest, Hungary | 16-17 October 2020
  - GEC-ESTRO workshop
    Rotterdam, The Netherlands | 19-20 November 2020
- The 2021 ESTRO Annual Congress
  Madrid, Spain | 7-11 May 2021

We do hope that this guide provides you all the information required to fully engage with the radiation oncology community and of look forward to continuing our collaboration.

Hande Yilmaz
Exhibition Project Manager
### List 2020 Courses

#### POSTGRADUATE COURSES IN EUROPE
- Comprehensive and Practical Brachytherapy
  - 9-13 February | Brussels, Belgium
- Particle Therapy
  - 16-20 February | Trento, Italy
- Clinical Practice and Implementation of Image-Guided Stereotactic Body Radiotherapy
  - 15-19 March | Prague, Czech Republic
- Foundation of Leadership in Radiation Oncology
  - 2-3 April | Vienna, Austria
- Advanced Skills in Modern Radiotherapy
  - 17-21 May | Vienna, Austria
- Dose Modelling and Verification for External Beam Radiotherapy
  - 17-21 May | Barcelona, Spain
- Target Volume Determination – From Imaging to Margins
  - 24-27 May | Brussels, Belgium
- IMRT/VMAT and Other Highly Conformal Techniques in Practice
  - 24-28 May | Modena, Italy
- Evidence Based Radiation Oncology
  - 24-28 May | Bucharest, Romania
- Haematological Malignancies
  - 14-17 June | Lyon, France
- Comprehensive Quality Management in Radiotherapy – Risk Management and Patient Safety
  - 14-17 June | Lisbon, Portugal
- Brachytherapy for Prostate Cancer
  - 21-23 June | Manchester, UK
- Physics for Modern Radiotherapy
  - 8-10 September | Izmir, Turkey
- Basic Clinical Radiobiology
  - 12-16 September | Athens, Greece
- Image-Guided Radiotherapy and Chemotherapy in Gynaecological Cancer: Focus on MRI Based Adaptive Brachytherapy
  - 12-16 September | Lisbon, Portugal
- Dosimetry Audits
  - 14-18 September | London, UK

#### POSTGRADUATE COURSES OUTSIDE EUROPE
- Multidisciplinary Management of Prostate Cancer
  - 17-20 September | Moscow, Russia
- Advanced Treatment Planning
  - 20-24 September | Brussels, Belgium
- Advanced Physics for Brachytherapy
  - 2-5 October | Athens, Greece
- Multidisciplinary Management of Lung Cancer
  - 5-5 October | Budapest, Hungary
- Image-Guided Radiotherapy in Clinical Practice
  - 4-8 October | Ljubljana, Slovenia
- Imaging for Physicists
  - 4-8 October | Brussels, Belgium
- Best Practice in Radiation Oncology - Train the RTT (Radiation Therapists) Trainers - Part I
  - 19-23 October | Vienna, Austria
- Research Course in Translational Radiation Biology and Oncology
  - 8-11 November | Florence, Italy
- Quantitative Methods in Radiation Oncology: Models, Trials and Clinical Outcomes
  - 8-11 November | Florence, Italy
- In-Room MRI Guided RT
  - 8-11 November | Amsterdam, The Netherlands
- Multidisciplinary Management of Head and Neck Oncology
  - 15-18 November | Madrid, Spain
- Positioning and Immobilisation for Radiotherapy
  - 28-29 November | Budapest, Hungary
- ESTRO/ESOR Multidisciplinary Approach of Cancer Imaging
  - 12-13 November | Amsterdam, The Netherlands
- Advanced Technologies (ESOCT)
  - 15-18 November | Vienna, Austria
- Clinical Practice and Implementation of Image-Guided Stereotactic Body Radiotherapy
  - 18-21 November | Shenzhen, China
- Advanced Technologies (ESOCT)
  - 30 November - 3 December | Antwerp, Belgium

### Possibilities for company participation

<table>
<thead>
<tr>
<th>Option</th>
<th>Description</th>
<th>Visibility</th>
<th>Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>Booth Space</td>
<td>Booth for commercial representation during the whole duration of the course to promote your products/services</td>
<td>Onsite visibility</td>
<td>€ 3,500</td>
</tr>
<tr>
<td>Satellite Symposium</td>
<td>A non-exclusive, non-commercial educational symposium that will be held outside the programme schedule, in the morning before the start of the course or at the end of the day.</td>
<td>An invitation for the satellite symposium (to be provided by the company to ESTRO) will be given to the participants upon registration to the course</td>
<td>€ 3,000</td>
</tr>
<tr>
<td>Exclusive Satellite Symposium</td>
<td>An exclusive, non-commercial educational symposium that will be held outside the programme schedule, in the morning before the start of the course or at the end of the day.</td>
<td>An invitation for the satellite symposium (to be provided by the company to ESTRO) will be given to the participants upon registration to the course</td>
<td>€ 6,000</td>
</tr>
<tr>
<td>Educational Contribution</td>
<td>Companies can be invited by the course director to provide an educational contribution to the course programme in the format of a demo or hands-on session or contribution to a forum.</td>
<td>The educational contribution does not entitle the company to any other kind of visibility that the one provided within this educational contribution frame.</td>
<td>Free</td>
</tr>
</tbody>
</table>

For more information and pre-registration forms of the courses, you can directly contact:

Hande Yilmaz
hyilmaz@estro.org
The ESTRO workshops offer opportunities beyond what ESTRO offers in education meetings and congresses. It aims at facilitating scientific and professional networking opportunities and to create close interaction with developers in companies. The workshops are the perfect forum to share projects in their very initial stage, that would benefit from discussions with colleagues. We believe that by promoting these interactions we will capture scientific development that could be applied and have a real impact on the cure for cancer.

Following workshops are planned for 2020:

1. **2020 ESTRO Physics Workshop**
   16-17 October | Budapest, Hungary

2. **2020 GEC-ESTRO Workshop**
   19-20 November | Rotterdam, the Netherlands
General

Format
• A list of topics is defined by the Physics committee
• Participants are invited to register for one single topic – the number of participants is limited to stimulate discussion and guarantee interaction
• The workshop itself is a combination of invited talks by leading scientists and interactive participation by the delegates

Expected outcome
• Initiatives for new collaborative research
• Joint writing of a scientific paper or guidelines

<td>TBC</td>
</tr>
</tbody>
</table>

*This option is only available for companies who do not have a booth at the workshop.

Sponsorship opportunities are also available to companies who do not have a booth space at the workshop.
### General

**Format**
- Three topics are defined by the Brachytherapy committee
- Participants are invited to register for one single topic – the number of participants is limited to stimulate discussion and guarantee interaction
- The workshop itself is a combination of invited talks by leading scientists and interactive participation by the delegates

**Expected outcome**
- Initiatives for joint creation of new scientific ideas and workflows, impacting daily practice
- Creation of networks for future collaboration

The preliminary programme will be defined before “ESTRO 2020”.

The ESTRO Annual Congress has been growing steadily over the last decade and attracted a record high number of over 6,633 participants during the 2019 edition in Milan. As the infographic below show, it’s a truly global congress which continues to increase its importance in the field of radiation oncology.

The conference programme, with its eleven tracks over four days, provides a wide range of topics to be discussed in different formats. This programme is of course complemented with the poster area and poster highlights, which is partially digital.

At the 2019 edition of the yearly congress, ESTRO introduced a number of new features in the exhibition space such as discussion corners, gamification and a stage. The purpose is make the exhibition even more lively and also to creat additional possibilities for networking and knowledge sharing. We also wanted to take the opening of the exhibition to a higher level, with a focus on product unveiling and quality networking opportunities. We will continue to enhance to delegate experience going forward and will keep you informed on new initiatives taken.

We hope you find the offer described below appealing and are of course open for any suggestions which could make our annual congress an ever better success.
Key figures ESTRO Annual Congresses

Overview

- 2,232 Abstracts
- 170 Sessions
- 311 Invited Speakers
- 203 Chairs
- 61 Co-chairs
- 1,067 E-poster
- 418 Poster

6,633 Delegates

### Venue

The ESTRO Annual Congress will be held at:

**IFEMA – Feria de Madrid**
Avda. del Partenón, 5
28042 Madrid
www.ifema.es/en

Set against the backdrop of one of the most important business centers in the city, the Feria de Madrid venue is linked to Madrid’s major arteries by means of a network of roads that provide easy access to the Fair. Furthermore, the Adolfo Suárez Madrid-Barajas Airport is barely a few miles away, which makes it accessible from every corner of the world. Attendants can also make use of public transport, particularly thanks to the vast Metro Madrid underground network, which links the venue to every point of the city.

**Metro Station Line 8 – Feria de Madrid**

</tbody>
</table>

*The minimum renting surface is 18 sqm for pharmaceutical companies.

The **modular shell scheme** package includes:
- Grey aluminium structure.
- Grey or White melamine panels.
- Façade with stand number and sign on each side facing an aisle. Name signs will be in standard lettering (25 characters included).
- Electrical installation consisting of a switchboard with electromagnetic differential and 500W outlet, capable of handling 130W/sq. m.
- 1 triple outlet of maximum 500W.
- Lighting with several adjustable rail-mounted 300 W halogen spots, at the rate of one spotlight per 4 sq. m. of stand.
- Fireproof exhibition carpeting.

**Measurements:**
- Total exterior height: 2.45 m.
- Total width of each panel: 1.00 m.
- Height of façade: 0.30 m.

Servis is the exclusive partner for all building projects at the venue, being able to provide the full range of construction services needed at event.

Ordering of **on-site services**:

Please note that all on-site services (catering, electricity, waste, etc.) are managed by IFEMA directly:

IFEMA will set-up a personalized website for all exhibitor orders. Here are the optional services IFEMA can provide to exhibitors:

- Furniture
- Electrical services: additional main connections and consumption, fuseboard packs (connector + fuseboard + certificate), certificates without fuseboards.
- Water and Compressed Air Conditions
- Telecommunications (Phone, Cable Internet Connections)
- WiFi Hotspots only
- Hostesses
- Parking
- Cleaning
- IT Equipment
- AV Equipment
- Rigging
- Other structural elements regarding certification
**Exhibition floorplan**

Below you will find an overview of the exhibition floorplan, as well as a more detailed technical floorplan.

**Venue overview:**
The exhibition will take place in Hall 9.

**Technical floorplan of the exhibition:**
The link to the technical floor plan of Hall 9 is available [here](#).

Satellite Symposia

Satellite Symposia are the ideal way of engaging with the Congress audience and present your products and services through a live presentation in the congress center premises. These sessions are not part of the official Scientific Program.

ESTRO will support you in making your Symposium a success by providing insights in the demographics of the participants before the congress. After the session, you will receive a report with not only the number of participants, but also their demographics (country of origin, specialty, etc.).

At ESTRO’s Annual Congress, the Satellite Symposia are organized during the lunchbreak. Following slots are available:

- Friday 7 May 2020
  - During lunch break
  - Exclusive bid*
  - € 15,000

- Saturday 8 May 2020
  - During lunch break
  - € 15,000

- Sunday 9 May 2020
  - During lunch break
  - € 15,000

- Monday 10 May 2020
  - During lunch break
  - € 15,000

*The exclusive satellite symposium slot on Friday is reserved for pharmaceutical companies only.

A satellite package includes:
- Rent of the meeting room for the duration of the symposium
- Standard equipment and room set-up
- AV technician
- 1 hostess
- Possibility of roll-up (dimensions 2m*85cm) displayed the morning before your event in the registration area (artwork to be submitted to ESTRO for written approval). The production of the roll-up can either be done by the company OR by ESTRO. (see Package 7 on the next page)
- Inclusion of the satellite symposium agenda in the Exhibitor Directory, app and online programme
- Email blast listing the satellite symposia agenda sent by ESTRO prior the congress to pre-registered participants (in accordance with the GDPR policy)

Extra AV and branding packages for your satellite symposium session are available here: (The same packages will be offered for ESTRO 2020, 2021 & 2022 with the same price.)
In addition to the basic satellite symposium package that comes with the booking of the rooms, we offer 7 additional branding and AV packages:

1. Package 1-SOUND Package | € 2200
   - 3x head-set-mike & 3x wireless HandHeld-mike c/w stand
   - MP3-sound-recording
   - 1x sound-tech

2. Package 2- VISUAL-STANDALONE Package | € 2500
   - 1x seamless-switcher with 4x HDMI-connections (for 4 external laptop @ AV-control-desk)
   - 4-set intercom
   - DSAN cuelight wireless & DSAN CountDown with 2x displays (at lectern and at toptable)
   - 1x visual-tech

3. Package 3-RECORDING Package | € 1750
   - 1-cam-recording (PPT & speaker at lectern only)

4. Package 4-RECORDING Package | € 3000
   - 3-cam-recording (PPT & 3x operated cameras with edited recording)

5. Package 5-LECTERN BRANDING DIGITAL | € 500
   - 42in LCD display
   - portrait-style 1920 pixels H by 1080 pixels W

6. Package 6- 4pax TOP-TABLE BRANDING DIGITAL | € 750
   - 2x 42in LCD display (2x identical image)
   - landscape-style 1080 pixels H by 1920 pixels W

7. Package 7-PULL-UP BANNER on stage OR at main entrance door | € 200
   - pull-up banner 85cm W by 200cm H; 1-sided print

8. Package 8-REHEARSAL SLOT | € 750
   - 45min rehearsal-slot : 11h45-12h30 (immediately before access-time 12h30)
   - exception: IND # 8 : rehearsal at 06h30-07h15 same day
   - includes room-AV-techs & extra techs of packages 1,2,3

*The capacity of the rooms might change slightly depending on the final design of the rooms.

Advertising opportunities

Below you will find an overview of opportunities to increase your brand visibility during the congress. Please note that each opportunity is offered in exclusivity – your logo will be the only one visible when purchasing one of the opportunities. The only exception are the advertisements in the digital Exhibitor Directory.

If you book a set of items for ESTRO 2021 (at least 3 items or more listed below), you will get a %10 discount on the total amount to be paid. Our Gold Corporate and Corporate members receive an additional 10% or 5% discount depending on their membership types.

- Vinyl Ground Signage (for asphalt)
- Visibility: Variable
- Price: € 60/sqm + Production

*In addition to print advertising, IFEMA offers digital onsite advertising options as well. The Digital onsite advertising catalogue will be made available soon.

**Sponsoring opportunities**

The ESTRO 2021 Annual Congress has two great sponsoring opportunities: one focusing on a healthy lifestyle and the other one on providing young and upcoming companies with a platform to showcase their products and services to the global radiation oncology community.

### 5K Run

The ESTRO Annual Congress has a tradition of organizing a 5K run on Sunday afternoon during the congress, attracting over 600 participants every year and also drawing (local) media attention.

There are two options to sponsor: an exclusive sponsorship at € 30,000 or the possibility to partially sponsor (see the different options and prices below).

The possibility for exclusive sponsor is open till 30 October 2020. If no exclusive sponsor is found by that time, the different smaller sponsorship opportunities will be offered to the Industry Partners.

<td>€ 5,000 + production</td>
</tr>
</tbody>
</table>

### The Stage

The Stage is an initiative launched during the Annual Congress in 2018. It’s a low height but fully equipped stage in the exhibition space, offering a platform to both young health care specialists and start-up companies to “raise their voice”.

Sessions are programmed during coffee breaks and lunch sessions. These are very short sessions (15 minutes maximum), requiring the presenter to pitch her/his message.

The sessions are not part of the official Scientific Programme but will be promoted via different on-line channels and of course by the presenters themselves.

The sponsor of The Stage (“powered by”) will get branding visibility by display of the company’s logo in the area of The Stage and will be mentioned in the schedule of The Stage, available via the ESTRO website and ESTRO event app.

In order to guarantee maximal brand visibility, sponsorship will be exclusive and comes at € 20,000.
**Meeting rooms**

Sometimes you can be in need for a space where you can meet with your customers to discuss or give a presentation to a select audience.

Following high quality rooms can be rented for ½ day (€ 1,000) or a full day (€ 2,000). Beamer is included in the price. Catering can be ordered directly from IFEMA.

<td>€ 600</td>
</tr>
</tbody>
</table>

The group block booking needs to be sent to groups@estro.org one week before the deadline of the preferred fee.

The names of the individual group members need to be submitted to groups@estro.org 3 weeks before the congress.

**Lead Retrieval**

ESTRO offers the possibility to rent lead retrieval devices at very accessible prices. Our clear participant terms & conditions allow to share a maximum of data with you, while being in full compliance with the General Data Protection Regulation (GDPR). More information about lead retrieval systems will be available on our website.
1. How many complimentary badges am I entitled to?

The number of complimentary badges you are entitled to depends on the sqm of your booth. ESTRO offers 3 exhibitor badges per 9 sqm rented.

- Gold Members receive 1 Regular+2 Full Exhibitor badges per 9 sqm booked.
- Corporate Members receive 2 Regular+1 Full Exhibitor badges per 9 sqm booked.
- Non-corporate members receive 3 Regular badges per 9 sqm booked.

2. What is the difference between Full Exhibitor Badge and Regular Exhibitor Badge?

The regular exhibitor badge gives access only to the exhibition whereas the full badge gives access to both exhibition & scientific sessions.

3. How do I register my delegates for the exhibitor badges?

ESTRO will send you an excel file to fill before the event. In this file, you can see the types and number of complimentary badges you are entitled to. Once you fill in this file and send it back to hyilmaz@estro.org, your registration will be done.

4. In addition to the complimentary badges I receive from ESTRO, how can I order extra exhibitor badges?

When you receive the registration file from ESTRO for the registration of your delegates, you can just add the name of your delegates that need the extra badges and indicate in the file the type of badges you would like (full or regular).

5. Is it possible to register onsite?

Yes, it is also possible to do your registrations onsite. Please be aware that the prices might change onsite.

6. I need an invitation letter for my visa application. How can I receive it?

To receive a visa invitation letter from ESTRO, first you need to register your delegates who need a visa invitation letter. Once your delegates are registered to the Congress, we will prepare an invitation letter including your registration number and send it to you via email. You can contact hyilmaz@estro.org for your visa invitation requests.

7. Can I receive the pre-registration list?

Yes, it is possible to receive the pre-registration list. However, please keep in mind that ESTRO can no longer share the full list of participants because of GDPR. If you make a request for the pre-registration list, you will only receive the list of people who have given ESTRO their consent to share their contact details with the third parties.

8. Is lunch included in the registration fee?

The lunch is not included in the registration fee.

9. Can I organize meetings/social events during the Congress?

Yes, you can organize your meetings/social events as long as it does not overlap with the scientific program and you should receive the written approval from ESTRO first. Please make sure to check the scientific program on our website before planning any kind of events for the participants of the Congress.

10. Can I distribute flyers/brochures at the Venue?

It is allowed only within the limits of your own booth. Any promotional activity outside your booth is strictly forbidden.

11. Can I order catering for my booth?

You need to receive a written approval from the official catering company. Unless this permission is acquired, the exhibitors cannot provide catering in their booth.

12. How can I place my orders for the exhibition? (furniture, carpet, electricity etc.)

For ESTRO 2021 you can use the exhibitor portal created by IFEMA. The link will be made available on our website closer to the event.

13. Do you send any communication to participants about the availability of the webcast?

We send a “post-congress” email to all our participants which mentions the availability of the webcast.

14. Is ESTRO responsible for the production of the roll-ups for the satellite symposium sessions?

For ESTRO Annual Congress, you have 2 options. You can either produce your own roll-ups for your satellite symposium session OR you can choose one of the extra branding packages we offer for your session and ESTRO can produce the roll-up for you.

For the other events, the companies are responsible for the production of their own roll-ups.
