

ESTRO

2025-2026

**Industry
Guide**

Dear Industry Partners,

We are pleased to present the ESTRO Industry Guide 2025/2026. This guide offers a comprehensive overview of the diverse opportunities ESTRO provides to engage with the global radiation oncology community through our congresses, workshops, and courses.

The infographics included in this guide highlight the growing importance of ESTRO's portfolio of activities as premier platforms for knowledge exchange, debate, and networking within the field of radiation oncology. These events consistently attract key thought leaders and decision-makers from around the world.

The continued support of our Industry Partners has been instrumental in achieving this success. We trust that this guide will assist in further developing our collaboration and advancing ESTRO's initiatives to new levels of excellence.

This guide covers:

— The 2025-2026 ESTRO Courses

— The 2025 ESTRO Workshops

— ESTRO Physics Workshop

Toulouse, France | 23-24 October 2025

— GEC-ESTRO Workshop

Belgrade, Serbia | 19-20 November 2025

— ICHNO 2026

2025 ESTRO Workshops

The ESTRO workshops provide opportunities that extend beyond our educational meetings and congresses. They are designed to facilitate scientific and professional networking and foster close interactions with industry developers. These workshops serve as an ideal forum for sharing early-stage projects that can benefit from collegial discussions. By promoting these interactions, we aim to capture scientific developments that can be applied to make a real impact on cancer treatment.

Following workshops are planned for 2025:

- 1_ **ESTRO Physics Workshop**
23-24 October | Toulouse, France
- 2_ **2025 GEC-ESTRO Workshop**
19-20 November | Belgrade, Serbia

Location: **Toulouse, France**
 Date: **23-24 October 2025**
 Target audience: **Physics Community**
 Early Registration Deadline: **17 September 2025**

Friday 20 March During lunch break

Exclusive slot

* The cost (excl. VAT) for an exclusive session (1 slot per day) is: 45,000 €

A satellite package includes:

- Rent of the meeting room for the duration of the symposium
- Standard equipment and room set-up
- AV technician
- 1 hostess
- Possibility of roll-up (dimensions 2m*85cm) displayed the morning before your event in the registration area (artwork to be submitted to ESTRO for written approval). The company is responsible for the production of the roll-up.
- Inclusion of the satellite symposium agenda in the Exhibitor Directory & ESTRO app
- Email blast listing the satellite symposia agenda sent by ESTRO prior the congress to pre-registered participants (in accordance with the GDPR policy)

Overview of available rooms for Satellite Symposia:

Date	Room name - in Conference Area	Capacity
Thursday 19 March	Auditorium	1000 pax
Friday 20 March	Auditorium	1000 pax

*The capacity of the rooms might change slightly depending on the final design of the rooms.

「Advertising opportunities」

Below you will find an overview of opportunities to increase your brand visibility during the congress. Please note that each opportunity is offered in exclusivity – your logo will be the only one visible when purchasing one of the opportunities. The only exception are the advertisements in the digital Exhibitor Directory.

The blast dates can be arranged according to the company's preference. The stats of the blast will be provided regularly.	€ 7,500

The ESTRO Annual Congress continues its trajectory of remarkable growth, with ESTRO 2025 in Vienna, Austria, setting a new record as the largest congress in ESTRO history, welcoming an unprecedented 7,765 delegates. This milestone confirms the congress as a central platform for the radiation oncology community worldwide.

We are delighted to invite you to be part of this momentum as we look ahead to the next edition. ESTRO 2026 will once again unite professionals from across the globe for an inspiring event focused on education, collaboration, and innovation in cancer care.

Following the success of the 2025 congress, ESTRO continues to emphasise the importance of transformative innovation through partnership—a theme that resonated strongly throughout the programme in Vienna. Breakthrough research, cross-disciplinary collaboration, and dynamic interaction among stakeholders remain at the core of our mission.

The congress programme features twelve thematic tracks, state-of-the-art sessions, panel discussions, pitch formats, and debates, encouraging active engagement and the exchange of cutting-edge ideas. Together, we aim to advance the science of radiation oncology and improve outcomes for cancer patients worldwide.

Join us as we build on this success and continue shaping the future of radiation oncology—through partnership, innovation, and shared vision.

The venue also offers a wide range for on-site advertising. The onsite advertising catalogue will be made available closer to the event.

「Meeting rooms」

Sometimes you can be in need for a space where you can meet with your customers to discuss or give a presentation to a select audience.

The meeting rooms can be rented **for ½ day (1,000 €) or a full day (2,000 €)**.

Frequently Asked Questions

1. How many complimentary badges am I entitled to?

The number of complimentary badges you are entitled to depends on the sqm of your booth. ESTRO offers 3 exhibitor badges per 9 sqm rented.

- Gold Members receive 1 Regular + 2 Full Exhibitor badges per 9 sqm booked.
- Corporate Members receive 2 Regular + 1 Full Exhibitor badges per 9 sqm booked.
- Non-corporate members receive 3 Regular badges per 9 sqm booked.

2. What is the difference between Full Exhibitor Badge and Regular Exhibitor Badge?

The regular exhibitor badge gives access only to the exhibition. The full exhibitor badge gives access to the exhibition and the scientific sessions.

3. How do I register my delegates for the exhibitor badges?

ESTRO will send you an excel file to fill before the event. In this file, you can see the types and number of complimentary badges you are entitled to. Once you fill in this file and send it back to hyilmaz@estro.org, your registration will be done.

4. In addition to the complimentary badges I receive from ESTRO, how can I order extra exhibitor badges?

When you receive the registration file from ESTRO for the registration of your delegates, you can just add the name of your delegates that need the extra badges and indicate in the file the type of badges you would like. (full or regular)

5. Is it possible to register onsite?

Yes, it is also possible to do your registrations onsite.

6. I need an invitation letter for my visa application. How can I receive it?

To obtain a visa invitation letter from ESTRO, you must first register your delegates who require one. Once your delegates are registered for the Congress, we will prepare an invitation letter containing your registration number and send it to you via email. For visa invitation requests, please contact hyilmaz@estro.org.

7. Can I receive the pre-registration list of participants?

Yes, it is possible to receive the list of pre-registered delegates to the congress. However, please note that you will only receive the list of individuals who have given ESTRO their consent to share their contact details with third parties.

8. Is lunch included in the registration fee?

The lunch is not included in the registration fee. However, catering points will be available for purchasing meals and beverages.

9. Can I organise meetings/social events during the Congress?

Yes, you can organise your meetings/social events **as long as** it does not overlap with the scientific programme and you should receive the written approval from ESTRO first. Please make sure to check the scientific programme on our website before planning any kind of events for the participants of the Congress.

10. Can I distribute flyers/brochures at the venue?

It is permitted only within the confines of your own booth. Any promotional activity outside your booth is strictly prohibited.

11. Can I provide my own catering in my booth?

Exhibitors must obtain written approval from the official catering company. Without this permission, exhibitors are not permitted to provide catering in their booth.

12. How can I place my orders for the exhibition? (furniture, carpet, electricity etc.)

For all the congresses, you can use the exhibitor portal created by the relevant supplier. The links will be made available on our website closer to the event.

13. Is ESTRO responsible for the production of the roll-ups for the satellite symposium sessions?

There are two options available for your satellite symposium session. You can either produce your own roll-ups, or you can select one of the extra branding packages we offer for your session, and ESTRO can produce the roll-up for you.

14. Can we record our demo sessions during the congress?

Yes, exhibitors are allowed to film the activities taking place inside their own booth space. Please make sure to check our media policy on our website for any articles or posts related to the scientific programme or society in general.

15. How long do the sessions remain available on demand on the online congress platform?

The online congress platform will remain open for at least 3 months after the event, granting registered "full" exhibitors access to all scientific sessions on demand during this period.
