Frequently Asked Questions 58

Dear Industry Partners,

We are pleased to present to you the ESTRO Industry Guide 2024. The guide provides a clear overview of the different opportunities ESTRO offers you to connect with the global radiation oncology community via our congresses, workshops and courses.

The infographics in this guide demonstrate the growing importance of the ESTRO congresses and workshops as platforms for exchange of knowledge, debate and networking around radiation oncology, attracting thought leaders and decision takers from across the globe.

The continued support from our Industry Partners has been instrumental for achieving this success. We therefore hope that this guide will help in further developing our partnership and taking ESTRO's congresses and workshops to the next level.

This guide covers:

– The ESTRO Corporate Membership

– ESTRO 2024

3-7 May | Glasgow, Scotland

– The 2024 Joint Congresses

– ICHNO 2024

21-23 March | Barcelona, Spain

– ESTRO Meets Asia 2024

23-25 August | Kuala Lumpur, Malaysia

– The 2023 ESTRO Courses

– The 2023 ESTRO Workshops

– ESTRO Physics Workshop

13-14 October | Turin, Italy

– GEC-ESTRO Workshop

16-17 November | Prague, Czech Republic

We do hope that this guide provides you all the information required to fully engage with the radiation oncology community and of look forward to continuing our collaboration.

Hande Van Gestel
Exhibition Project Manager

ESTRO Corporate Membership

“ESTRO corporate membership offers many opportunities for companies to engage with a continuously growing community of radiation oncology specialists across the globe. It is our ambition to make that engagement evolve into a true partnership in which ESTRO is the bridge between our corporate partners and all the communities involved in radiation oncology”

「Opportunities for ESTRO corporate members」

ESTRO congresses

Both in Europe and Asia, ESTRO congresses attract a growing number of healthcare professionals every year, in order to discuss the current state and future challenges of radiation oncology. As a corporate partner, you will have the opportunity to engage with this global community and truly connect with your target audience.

ESTRO workshops

ESTRO workshops allow radiotherapy specialists to discuss the most recent scientific developments in specific areas before these are published. They are extremely focussed and represent a perfect opportunity to have in-depth engagement with an audience on a specific topic.

ESTRO courses

Organised on a global scale, ESTRO courses are the core of our educational programme. Tens of thousands of healthcare professionals have attended these courses, gaining the knowledge required to take the next step in their professional careers.

「Corporate members benefits for 2024」

		Gold Corporate	Corporate	Non-Members
General	Visibility in corporate members directory on ESTRO website	✓	✓	
	Visibility in the ESTRO annual report	✓	✓	
	Priority in maintaining sponsored items for 2 consecutive years	✓		
	Complimentary individual corporate members	5	3	
	Invitation to sit on the ESTRO advisory corporate council	✓		
	Promotion of 2 virtual satellite symposium sessions via email blasts	✓		
	Scientific & Educational Collaboration with ESTRO Leadership	✓	✓	
	Creation of Joint Research Projects with ESTRO Leadership*	✓		
ESTRO Congresses and Meetings (excl. joint events)	Priority to book exhibition space, advertising, sponsoring, satellite symposia	1 st round	2 nd round	3 rd round
	Complimentary full company exhibitor badges (including access to scientific sessions) per 9 sqm rented	2	1	
	Complimentary regular company exhibitor badges (access to the exhibition hall) per 9 sqm rented	1	2	
	Corporate member acknowledgement in Exhibitor Directory	✓	✓	
ESTRO Annual Congress	In addition to the above benefits:			
	Recognition as corporate member in exhibitors list	✓	✓	
	Access to pre build-up day	✓		
	Possibility of personal appointment to collect exhibitors' badges	✓	✓	
ESTRO Courses	Invitation to the Presidential reception	2		
	Preferential fee for company delegates during teaching courses	✓	✓	

Please have a look at the [Corporate Membership Benefits Overview](#) document for more information.

- * Each Gold Corporate Member (or a group of members, inclusive of at least one gold member) can propose Joint Projects to the ESTRO Leadership along the lines of the scientific priorities of the Society.
 - The proposal includes scope, time, cost, workload and governance (including financial or other contribution)
 - The ESTRO Leadership will review the proposed projects and do a selection based on the expected value which will be created for the ESTRO Community at large and the availability of resources for the execution of the project
 - Once selected, the projects can start with both the Corporate Partner(s) and the Scientific Committee overseeing progress and outcome.
- * Joint Projects

When a Corporate Partner and ESTRO decide to engage on a joint project, the Corporate Partner is expected to (partly or fully) fund the project. This should not be considered as part of the Corporate Membership fee but as an additional investment for a specific project. Please note that funding could be done in cash or by providing resources or a combination of both.

ESTRO Annual Congress 2024: Bridging Gaps in Radiation Oncology

In the last decade, ESTRO's Annual Congress has grown exponentially, with a record 6,722 attendees in 2023, making it our largest ever.

Our vision is clear: **"Radiation Oncology. Optimal Health for All, Together."** We're committed to strengthening radiation oncology's role in multidisciplinary cancer care and ensuring accessible, high-value radiation therapy for all cancer patients.

The 2024 ESTRO Congress theme, **"Radiation Oncology: Bridging the Care Gap,"** is our next step toward this vision. We'll explore the challenges and opportunities that have emerged globally, aiming to bridge the gaps in optimal radiotherapy provision.

Our four-day program covers twelve themes, offering a comprehensive look at the present and future of radiotherapy. We've embraced digital innovation for poster presentations, enhancing the exchange of cutting-edge research.

We value your input to make this congress even more successful. Join us in shaping the future of radiation oncology and achieving optimal health for all cancer patients.

Please note that priority in bookings are given to *2024 gold corporate members* and then *2024 corporate members*. Once the gold and corporate members are placed on the floorplan, the bookings will be open to non-members.

The applications for 2024 ESTRO corporate membership will be launched on **4 September 2023**.

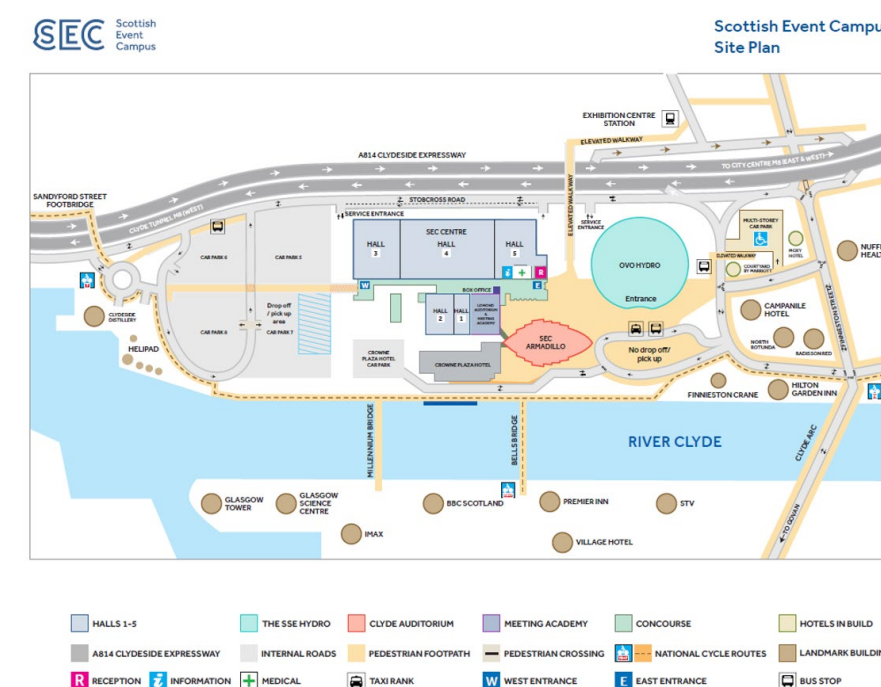

「Venue」

The ESTRO Annual Congress will be held at:

Scottish Event Campus Ltd
Glasgow, Scotland, G3 8YW
www.sec.co.uk

The Scottish Event Campus is located just outside Glasgow city centre in the west-end. The campus is accessible by numerous transport options (see next pages).

Venue overview:

Car

The SEC (Scottish Event Campus) is conveniently situated for motorists, just off the M8 motorway and with plenty of parking.

Leave the M8 at junction 19 and join the westbound Clydeside Expressway (A814). Westbound on the Expressway (A814) take the cut off for the campus. Turn left at traffic lights and take the right lane to access multi-storey parking. View [a map and directions](#).

Scotland has an extensive motorway network. Glasgow is linked to Edinburgh by the M8 and England via the M74. The M80 connects Stirling to Glasgow, while the M77 connects us to the west coast of Scotland.

Traffic Scotland provides up to date traffic and roadworks information.

Our postcode for your satnav is G3 8YW.

Train

Our venues are partnered with ScotRail, who operate more than 90% of passenger services in Scotland and are the country's largest transport operator – with the figure of 92.5 million passenger journeys in 2014/15.

Glasgow is well connected by train from across the UK.

- Glasgow Central station links Glasgow to every UK city.
- Glasgow Queen Street station operates routes mainly to central and northern Scotland.

There are more than 20 direct trains per day from London. Direct trains from Edinburgh run every 15 minutes on weekdays.

ScotRail is the main operator in Scotland and has information on the West Highland Line, the North Highland Line and Caledonian Sleepers (overnight trains from Scotland to London). Check [ScotRail's latest timetables](#) or download the [ScotRail app](#) by texting 'ScotRail' to 86688.

Once in the city centre, the SEC is a three-minute train ride from Glasgow Central. If you arrive at Queen Street, you'll need to walk or get a [bus](#) to Central to continue your journey by train.

The SEC has its own dedicated railway station – Exhibition Centre – allowing easy access from the city centre and suburbs. There are six trains an hour (around every 10 minutes) from Glasgow Central station, departing from Platform 17 (low level).

Strathclyde Passenger Transport operates the Glasgow Subway providing quick and convenient connections from 15 points across the city (the St. Enoch stop is a few minutes' walk from Central Station for onward transfer to the campus). On disembarking at the Exhibition Centre, a lift is available to take you to street level. A covered walkway connects the station to the campus.

- [National Rail Website](#)
- [Glasgow Subway Stations Map](#)
- [Download a map of the best route to the SEC](#)

Bus

Coach operators run services to Glasgow's Buchanan Bus Station from throughout the UK. Visit [Traveline Scotland](#) for details

The X19 Stagecoach service operates near to the Scottish Event Campus, stopping on Finnieston Street only a few minutes' walk from the venues. **[X19 Stagecoach timetable](#)**.

Taxi Service

There is a Glasgow Taxis pick-up and drop-off point outside the OVO Hydro.

There are several taxi ranks throughout the city including at Buchanan Bus Station, Queen Street and Central stations and most large hotels.

The distinctive black cabs can accommodate five or six people. If their yellow light is on you can flag them down on the street. Alternatively, you can call +44 (0) 141 429 70 70 or visit the Glasgow Taxis website to book. Our address for the online taxi booking form is SEC, Glasgow, G3 8YW.

An average journey from the city centre will cost around £7. All Glasgow Taxi drivers are enhanced disclosure checked.

[Book Now](#)

Cycling

Glasgow is linked to the National Cycle Network and has designated cycle lanes on many roads. The SEC is accessible via many cycle lanes and paths including one particularly picturesque route that runs alongside the River Clyde. For further details visit the [Sustrans website](#).

A covered cycle rack is located in the Scottish Event Campus between the SEC Centre and the SEC Armadillo.

The city has a popular bike hire scheme similar to London. [Nextbike Glasgow](#) has 170 bikes for hire in 31 locations, available 24/7. You can rent a bike via nextbike's [Android](#) / [iPhone](#) App by the on-bike computer, or by phoning +44 (0) 20 816 69851. Rental starts at £1 for the first 30 minutes.

Visit [Cycling Scotland](#) for more information about cycling in Scotland.

[Get Started](#)

Travel by Plane / Air

Glasgow is served by three international airports, with connections across the world. There are over 45 flights from London a day.

Glasgow Airport

Glasgow Airport (GLA) serves most major international airlines. It's located 8 miles (13km) west of the city. Currently 28 daily services to London. Direct flights from North America with United Airlines & US Airways
Direct flights from Canada with Air Transat
Direct flights from Dubai with Emirates
One-stop flights from North America with Icelandair
[www.glasgowairport.com](#)

These are some of the most common connections. More information can be found at Scotland's public transport information website [Traveline Scotland](#).

[Airport buses](#) run from the airport to Glasgow city centre up to every 10 minutes, 24 hours a day, and take approximately 25 minutes.

The 747 AirLink service operates via Renfrew, Braehead, Partick, Kelvingrove Art Gallery, Charing

Cross and the city centre. For more information on times and fares please visit the [Scottish Citylink website](#).

[Glasgow Taxis](#) on arrival at the airport – bookings can be made by calling +44 (0) 141 429 7070. Alternatively, [Glasgow Airport Taxis](#) are located immediately outside the terminal building or can also be booked by calling +44 (0) 141 889 1813. The airport also has an SPT Travel Desk, located at Domestic Arrivals (Check-in), where staff can provide you with details of buses and taxis. Once in the city centre, the SEC is a five-minute cab or short train ride from Glasgow Central station.

Glasgow Prestwick Airport

(PIK) is 32 miles (51km) southwest of the city. It's a main base for Ryanair and serves European destinations. Great flight times
Quick, hassle free check-in
50% discount on rail travel to/from anywhere in Scotland
Our own railway station
Low cost on-site parking
[www.glasgowprestwick.com](#)

There are three trains per hour on weekdays and the journey to Glasgow Central Station takes around 50 minutes.

Alternatively it's an easy journey to drive via the M77 or there is an early morning and late evening express bus service, the X99/X100, which takes an hour. You can book tickets here: Express Bus Service

Once in the city centre, the SEC is a five-minute cab or short train ride from Glasgow Central station.

Edinburgh Airport

(EDI) is 39 miles (63km) from Glasgow and serves most major international airlines.
[www.edinburghairport.com](#)

You can get to Glasgow from the airport by bus, taxi or train. Journey times are around 30 minutes in normal traffic.

[Scottish Citylink](#) provides direct bus services from Edinburgh Airport to Glasgow's Buchanan Bus Station every 30 minutes. Alternatively you can catch a bus or taxi to Edinburgh Haymarket and then catch a train to Glasgow Queen Street Station. Low levels trains from nearby Glasgow

Central station take you to the Exhibition Centre stop.

Lothian Buses provides public transport to Edinburgh Airport with the Airlink100 express bus from Edinburgh city centre as well as local bus services. A night bus, the N22, also runs between Waverley station and the airport.

Glasgow Queen Street station provides the main rail link between Glasgow and Edinburgh, with eight direct services per hour on weekdays.

Once in Glasgow, the SEC is a 10-minute cab ride from Queen Street, or a short train ride from Glasgow Central (five minutes' walk from Queen Street).

Ferries serving Scotland

Caledonian MacBrayne

Run numerous services between the Inner and Outer Hebrides and mainland Scotland.
[More Info](#)

Pentland Ferries

Serving Stromness in the Orkney islands.
[More Info](#)

NorthLink Ferries

Offers daily services between both Orkney (Kirkwall) and Shetland and ports in northeast Scotland.
[More Info](#)

Ferry Crossings

There are also several ferry crossings from Northern Ireland to Scotland every day.

Stena Line

Stena Line runs up to six daily crossings between Belfast and Cairnryan in southwest Scotland. The crossing takes 2¼ hours. Transport from Cairnryan to Glasgow is provided by [Scottish Citylink](#) or a shuttle bus can take passengers to Stranraer railway station, which offers an hourly service to Ayr.
[More Info](#)

P&O Ferries

P&O Ferries run up to nine sailings per day on the shortest, fastest crossing between Larne & Cairnryan. The slightly longer Larne-Troon

service has two crossings per day and operates March – October.
[More Info](#)

You can find information on timetables, ferry operators and making bookings at [Ferry savers](#).

Exhibition price list

Product	Features
Space rental	Floor rental
	Visibility in the Exhibitor Directory, Congress app and Online Congress Platform

Satellite Symposia

Satellite Symposia are the ideal way of engaging with the Congress audience and present your products and services through a live presentation in the congress center premises. These sessions are not part of the official Scientific Program.

At ESTRO's Annual Congress, the Satellite Symposia are organized during the lunchbreak. Following slots are available:

Friday 3 May During lunch break

Exclusive slot*

Sunday 5 May During lunch break

€ 15.750

Saturday 4 May During lunch break

€ 15.750

Monday 6 May During lunch break

€ 15.750

All prices are VAT excluded.

*The exclusive satellite symposium slot on Friday is reserved for pharmaceutical companies only.

A satellite symposium includes:

- Rent of the meeting room for the duration of the symposium
- Standard equipment and room set-up
- AV technician
- 1 hostess
- Possibility of roll-up (dimensions 2m*85cm) displayed the morning before your event in the registration area (artwork to be submitted to ESTRO for written approval). The production of the roll-up can either be done by the company OR by ESTRO.
- Inclusion of the satellite symposium agenda in the Exhibitor Directory, app and online program
- Email blast listing the satellite symposia agenda sent by ESTRO prior the congress to pre-registered participants (in accordance with the GDPR policy)

Extra AV and branding packages for your satellite symposium session will be provided closer to the event.

Overview of available rooms for satellite symposia, all located in the conference area:

Date	Room name	Capacity*
Saturday 4 May	Boisdale	300 pax
	Loche Auditorium	624 pax
	M1	400 pax
	Hall 1	500 pax
	Hall 2	800 pax

Sunday 5 May	Loche Auditorium	624 pax
	Forth	340 pax
	Boisdale	300 pax
	Hall 1	500 pax
	Hall 2	800 pax
Monday 6 May	Loche Auditorium	624 pax
	Boisdale	300 pax
	Hall 1	500 pax
	Hall 2	800 pax
	Hall 3	800 pax

*The capacity of the rooms might change slightly depending on the final design of the rooms.

Advertising opportunities

Below you will find an overview of opportunities to increase your brand visibility during the congress. Please note that each opportunity is offered in exclusivity – your logo will be the only one visible when purchasing one of the opportunities. The only exception are the advertisements in the digital Exhibitor Directory and digital signages.

Area	Description	Price
Coffee cups distributed in the exhibition hall	Display of your logo on the coffee cups distributed in the exhibition area during coffee breaks	€ 10,500 + production
Event App	Display of your logo on the home page of ESTRO event app	€ 10,500
Wi-Fi	Display of your logo on the Wi-Fi landing page	€ 10,500
Exhibitor Directory (digital)	Display of your advertisement in the key document for all participants, available on the ESTRO website	€ 2,000
Digital Signage	Display of your advertisement on 2 digital rotating banners placed at the entrance of the exhibition for the whole duration of the congress	€ 3,500
Digital Signage (for satellite symposium holders)	Display of your satellite symposium program on 2 digital rotating banners placed at the entrance of the exhibition on the day of your satellite symposium session	€ 1,500

All prices are VAT excluded.

Lead Retrieval

ESTRO offers the possibility to rent lead retrieval devices at very accessible prices. Our clear participant terms & conditions allow to share a maximum of data with you, while being in full compliance with the General Data Protection Regulation (GDPR). More information about lead retrieval systems will be available on our website.

Visa

You might need a visa to come to the UK depending on where you come from. Please [check if you need a visa](#). Depending on your nationality, you might not need a visa to visit or transit through the UK.

The official webpages for further information are as follows:
www.gov.uk/apply-to-come-to-the-uk

Meeting rooms

Sometimes you can be in need for a space where you can meet with your customers to discuss or give a presentation to a select audience.

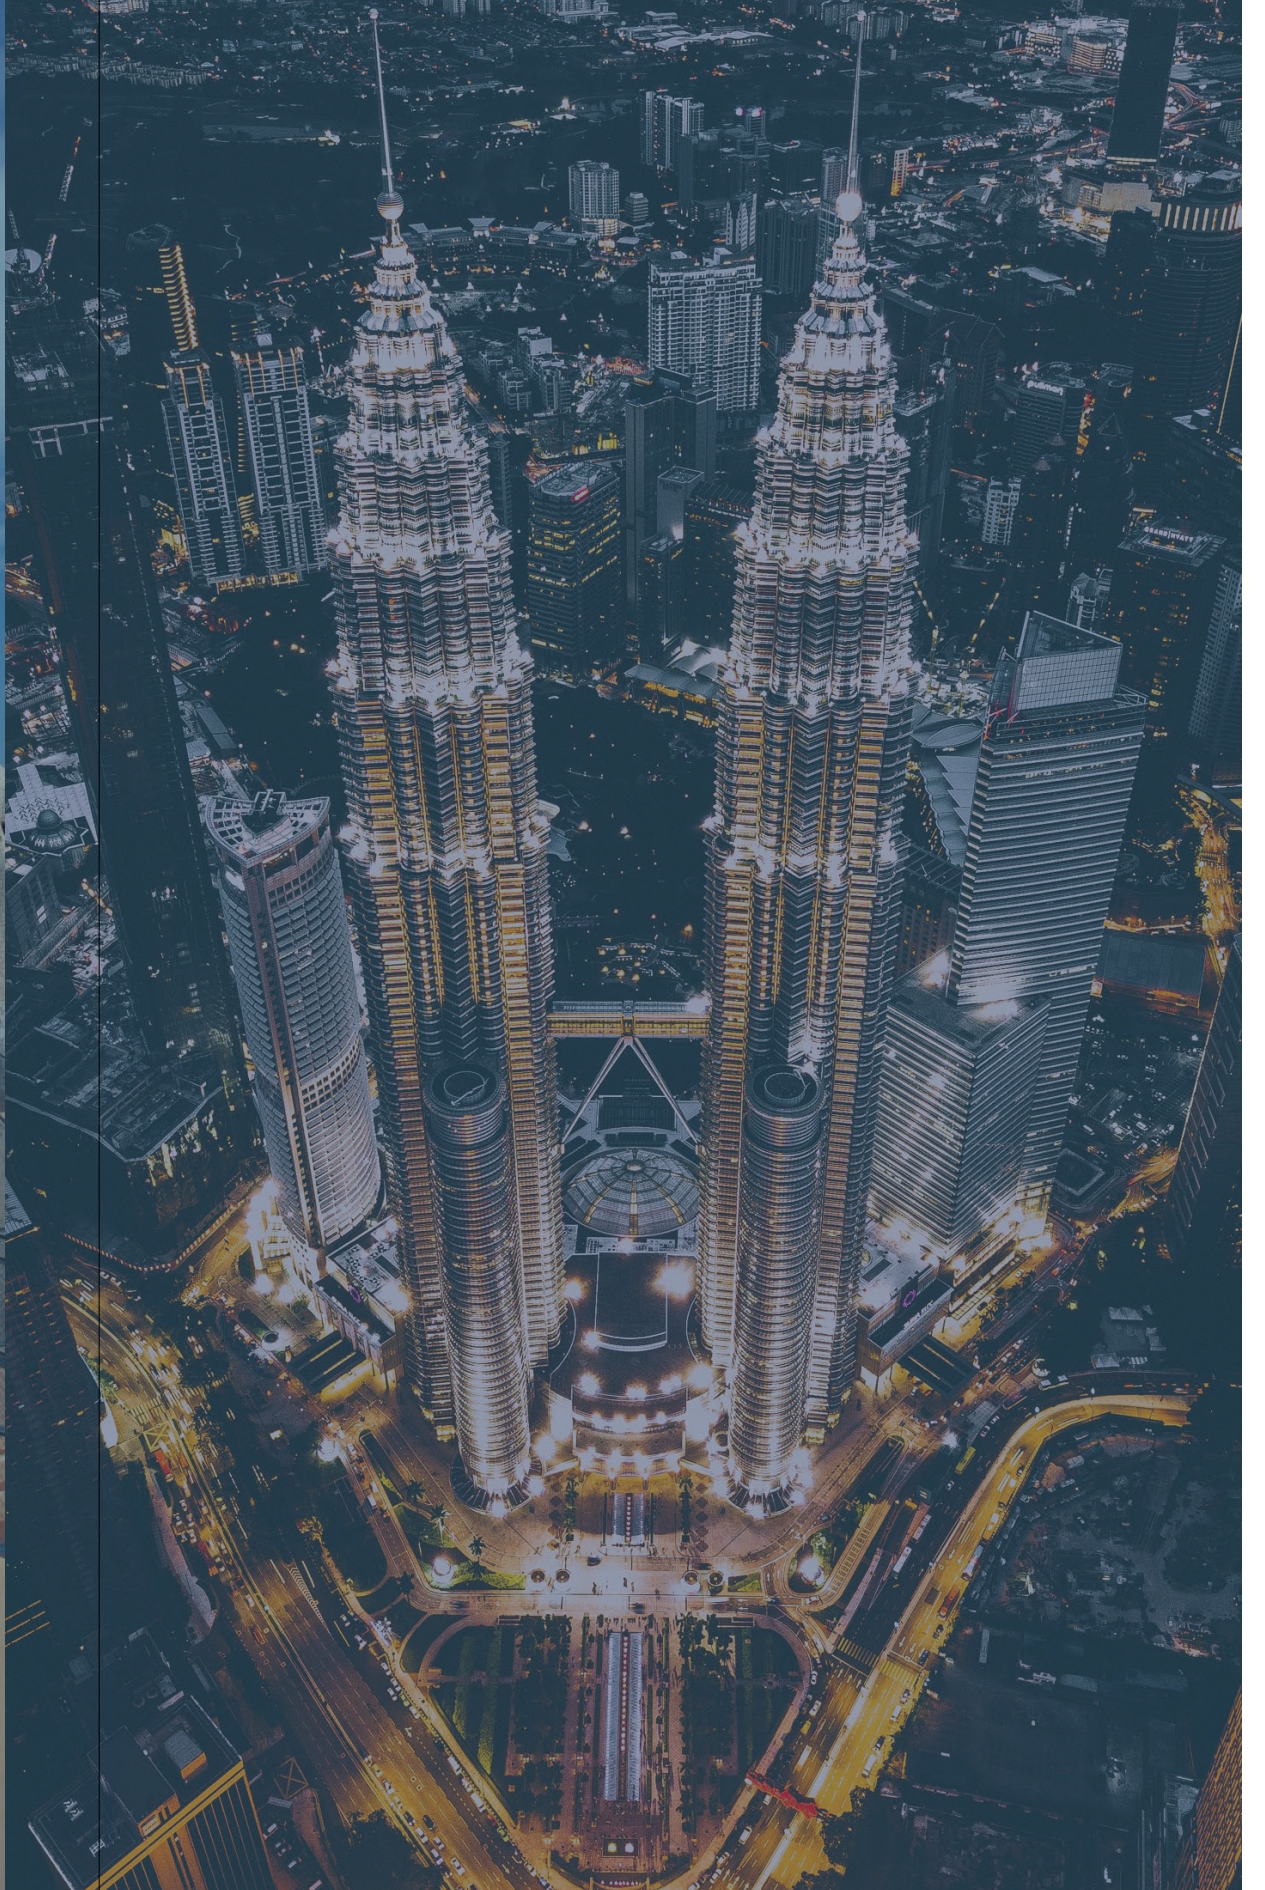

The following highly-equipped rooms can be rented **for ½ day (€ 1,000) or a full day (€ 2,000)**.

Location	Room name	Capacity*
Conference Centre	Gaia 2	60
	Etive	30
	Fyn	30
	M4	100
	M5	12

All prices are VAT excluded.

*The capacity of the meeting rooms might change slightly depending on the final design of the rooms.

2024 Joint Congresses

International Congress on Innovative Approaches in Head and Neck Oncology
 Venue: **Barcelona, Spain**
 Date: **21-23 March**
 Organised by: **ESTRO, EHNS, ESMO**

General

This biennial congress promises to provide a unique platform for the dissemination of the most relevant and cutting-edge science and innovation in the field of head and neck oncology. The format of the meeting will include prestigious invited 'state of the art lectures' and presentations on the latest developments in the field of head and neck oncology. There will be also a special focus on presentations of new data from practice changing randomized trials. Ample time will be given for discussions to allow in-depth interaction among the various disciplines and the participants.

The European Society for Radiotherapy and Oncology (ESTRO), the European Head and Neck Society (EHNS) and the European Society of Medical Oncology (ESMO) have the pleasure to invite you to participate in this congress.

Key dates

Aspect	Dates	Description
Congress	Early Submission Deadline: 11 October 2023	Submission of abstracts
	21-23 March 2024	ICHNO 2024
Registration	Till 13 December 2023	Early registration deadline
	Till 21 February 2024	Late registration deadline

Venue

ICHNO 2024 will be held at:

Fira Barcelona

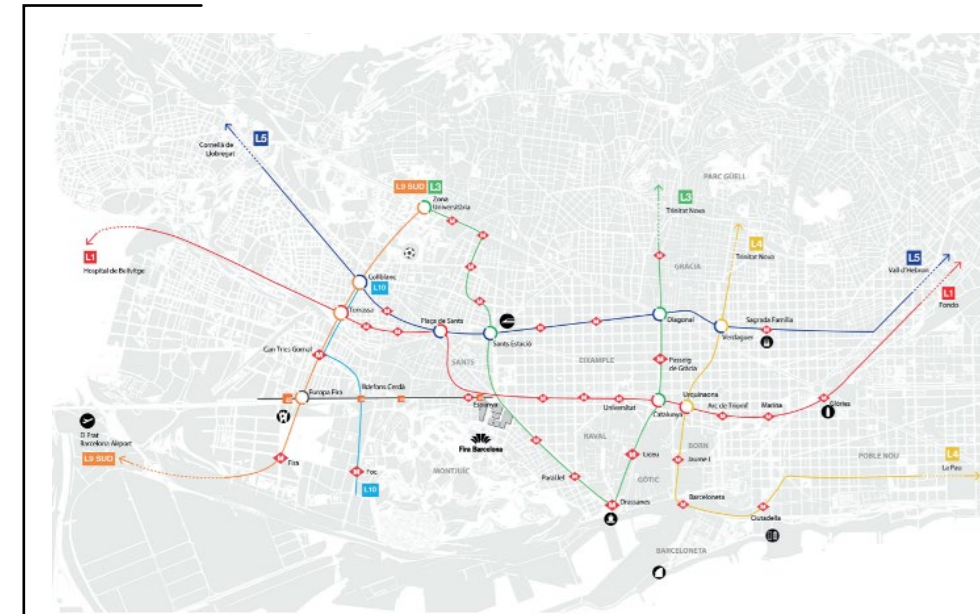

Avda. Reina Maria Cristina
 8004 Barcelona Spain
www.firabarcelona.com/en/montjuic

Located right in Barcelona's city center, Montjuïc Venue is ideally situated in an extremely vibrant area. The vast venue is conveniently linked by the local public transport network to both the metropolitan downtown and nearby El Prat International Airport (14 km).

Fira Montjuïc is accessible from the airport using the Metro Line 9, train and bus connections.

Plaça Espanya metro station and FGC Train station are the solution to reach Montjuïc venue by public transport from the city center and surroundings. Apart from private parking facilities there is also a taxi rank in front of the main access.

Satellite Symposia

Satellite Symposia are the ideal way of engaging with the Congress audience and present your products and services through a live presentation in the congress center premises. These sessions are not part of the official Scientific Program.

ESTRO will support you in making your Symposium a success by providing insights in the demographics of the participants before the congress. After the session, you will receive a report with not only the number of participants, but also their demographics (country of origin, specialty, etc.).

At ICHNO, the Satellite Symposia are organized during the lunch-break. Following slots are available:

Thursday 21 March During lunch break

Exclusive slot*

Friday 22 March During lunch break

Exclusive slot*

* The cost (excl. VAT) for an exclusive session (1 slot per day) is: 45,000 €

A satellite symposium includes:

- Rent of the meeting room for the duration of the symposium
- Standard equipment and room set-up
- AV technician
- 1 hostess
- Possibility of roll-up (dimensions 2m*85cm) displayed the morning before your event in the registration area (artwork to be submitted to ESTRO for written approval). The company is responsible for the production of the roll-up.
- Inclusion of the satellite symposium agenda in the Exhibitor Directory & ESTRO app
- Email blast listing the satellite symposia agenda sent by ESTRO prior the congress to pre-registered participants (in accordance with the GDPR policy)

Overview of available rooms for Satellite Symposia:

Room name	Date	Capacity*
Auditorium	Thursday 21 March	900 pax
	Friday 22 March	900 pax

*The capacity of the rooms might change slightly depending on the final design of the rooms.

Advertising opportunities

Below you will find an overview of opportunities to increase your brand visibility during the congress. Please note that each opportunity is offered in exclusivity – your logo will be the only one visible when purchasing one of the opportunities. The only exception are the advertisements in the digital Exhibitor Directory.

Area	Description	Price
Coffee cups (quantity: 8000)	Display of your logo on all cups available in the catering areas in the exhibition during the lunchtimes and coffee breaks.	€ 10,500 + production
Event App	Display of your logo on the install, welcome and intro screens of the ESTRO event app	€ 10,500
Wi-Fi	Display of your logo on the Wi-Fi landing page, physical displays on-site and in the Exhibitor Directory	€ 10,500
Exhibitor Directory (digital)	Display of your advertisement in the key document for all participants, available on the ESTRO website and via the ESTRO app	€ 2,000

All prices are VAT excluded.

Joint FARO-ESTRO Congress
 @ ESTRO meets Asia 2024
 Venue: **Kuala Lumpur, Malaysia**
 Date: **23-25 August 2024**
 Organised by: **ESTRO, FARO**

「General」

The objective of this joint venture from ESTRO and FARO (The Federation of Asian Organizations for Radiation Oncology) is to build radiation oncology collaboration between Europe and Asia - sharing developments in science, education, technology and professional development, for the benefit of all professionals working in the field of radiation oncology.

The interactive congress format will be a platform for participants to learn from each other by embracing the diversity of clinical practices and exploring the development of common solutions to optimise radiotherapy treatment and care for all patients. The scientific programme will have three components: an interdisciplinary, a medical physics and an RTT track dealing with topics of interest to the different radiotherapy disciplines.

「Key dates」

Aspect	Dates	Description
Congress	Early Submission Deadline: 6 March 2024	Submission of abstracts

Satellite Symposia

Satellite Symposia are the ideal way of engaging with the Congress audience and present your products and services through a live presentation in the congress center premises. These sessions are not part of the official Scientific Program.

At ESTRO Meets Asia, the Satellite Symposia are organized during the lunchbreak. Following slots are available:

Saturday 24 August During lunch break

€ 15.750

Sunday 25 August During lunch break

€ 15.750

All prices are VAT excluded.

*The exclusive satellite symposium slot on Friday is reserved for pharmaceutical companies only.

A satellite symposium includes:

- Rent of the meeting room for the duration of the symposium
- Standard equipment and room set-up
- AV technician
- 1 hostess
- Possibility of roll-up (dimensions 2m*85cm) displayed the morning before your event in the registration area (artwork to be submitted to ESTRO for written approval). The production of the roll-up can either be done by the company OR by ESTRO.
- Inclusion of the satellite symposium agenda in the Exhibitor Directory, app and online program
- Email blast listing the satellite symposia agenda sent by ESTRO prior the congress to pre-registered participants (in accordance with the GDPR policy)

Extra AV and branding packages for your satellite symposium session will be provided closer to the event.

Overview of available rooms for Satellite Symposia:

Room name	Room	Date	Capacity*
Conference Area	Hall A	Sat 24 August – Sun 25 May	650 pax
	Hall B		750 pax

*The capacity of the rooms might change slightly depending on the final design of the rooms.

「Advertising opportunities」

Below you will find an overview of opportunities to increase your brand visibility during the congress. Please note that each opportunity is offered in exclusivity – your logo will be the only one visible when purchasing one of the opportunities. The only exception are the advertisements in the digital Exhibitor Directory.

Area	Description	Price
Coffee Cups	Display of your logo on all cups available in the catering areas in the exhibition during the lunchtimes and coffee breaks.	€ 10,500 + production
Event app	Display of your logo on the home page of ESTRO event app	€ 10,500
Wi-Fi	Display of your logo on the Wi-Fi landing page	€ 10,500
Exhibitor Directory (digital)	Display of your advertisement in the key document for all participants, available on the ESTRO website	€ 2,000

The venue also offers a wide range for on-site advertising. The onsite advertising catalogue will be made available closer to the event.

All prices are VAT excluded.

「Meeting rooms」

Sometimes you can be in need for a space where you can meet with your customers to discuss or give a presentation to a select audience.

The meeting rooms can be rented **for ½ day (€ 1,000) or a full day (€ 2,000).**

All prices are VAT excluded.

The background image shows a person's hands interacting with a laptop. The laptop screen displays a medical software interface with a central CT scan of a brain. To the left of the main scan is a vertical column of smaller, thumbnail-sized CT scans labeled 'Slice 145' through 'Slice 154'. The software interface includes various toolbars and a sidebar. In the upper right corner, there is a white rectangular box containing the text 'ESTRO SCHOOL' in a bold, sans-serif font, with '2023' below it in a larger, outlined font.

List 2023 Courses (AUG-DEC)

The 2024 calendar will be available as of October 2023.

POSTGRADUATE COURSES

- LIVE** Basic Clinical Radiobiology
9-13 September | Porto, Portugal
- BLENDED** Target Volume Determination – From Imaging to Margins
11-14 Sept | Prague, Czech Republic
- BLENDED** Image-Guided Radiotherapy and Chemotherapy in Gynaecological Cancer: Focus on MRI Based Adaptive Brachytherapy for Cervical Cancer
25-28 September | Brussels, Belgium
- LIVE** Multidisciplinary Management of Prostate Cancer
8-12 October | Bilbao, Spain
- ONLINE** Image-Guided and Adaptive Radiotherapy in Clinical Practice
10-13 October | Online
- LIVE** Brachytherapy for Prostate cancer
13-14 October | Bilbao, Spain
- LIVE** Physics for Modern Radiotherapy
A joint course for clinicians and physicists
16-20 October | Marrakesh, Morocco
- VIRTUAL/LIVE** Palliative Care and Radiotherapy
22-24 October | Istanbul, Turkey
- LIVE** Haematological Malignancies
23-26 October | Lyon, France

- LIVE** Clinical Practice and Implementation of Image-Guided Stereotactic Body Radiotherapy
9-11 Nov | Prague, Czech Republic
- BLENDED** Positioning and Immobilisation for Radiotherapy
11-12 November | Athens, Greece
- LIVE** Evidence Based Radiation Oncology
12-16 November | Budapest, Hungary
- LIVE** Paediatric Radiotherapy
19-21 November | Ghent, Belgium
- LIVE** Best Practice in Radiation Oncology - Train the RTT (Radiation Therapists) Trainers - Part II
20-22 November | Vienna, Austria
- LIVE** Advanced Treatment Planning
26-30 November | Lisbon, Portugal
- LIVE** Advanced Technologies
30 Nov - 3 Dec | Hyderabad, India
- VIRTUAL/LIVE** Multidisciplinary Management of Brain Tumours
3-5 December | Brussels, Belgium

UNDERGRADUATE COURSES

- LIVE** ESO-ESSO-ESTRO-SIOPE Multidisciplinary Course in Oncology for Medical Students
28 Aug - 8 Sept | Poznan, Poland

- MULTIMODAL CANCER TREATMENT**
- IMAGING**
- RESEARCH**
- RADIOTHERAPY TREATMENT PLANNING AND DELIVERY**
- BEST PRACTICE**
- BIOLOGY**

「Possibilities for company participation」

Option	Description	Visibility	Price
Booth Space	Booth for commercial representation during the whole duration of the course to promote your products/services	Onsite visibility Acknowledgement of the sponsor on the ESTRO website	€ 3,750
Satellite Symposium	A non-exclusive, non-commercial educational symposium that will be held outside the programme schedule, in the morning before the start of the course or at the end of the day	An invitation for the satellite symposium (to be provided by the company to ESTRO) will be given to the participants upon registration to the course	€4,000
		Display of roll-up for promotion of the satellite symposium	
		Announcement of the satellite symposium on the ESTRO School website	
Booth + Satellite Symposium Session	Booth for commercial representation during the whole duration of the course + A non-exclusive, non-commercial educational symposium that will be held outside the programme schedule	As above	€ 7,000
Exclusive Satellite Symposium	An exclusive, non-commercial educational symposium that will be held outside the programme schedule, in the morning before the start of the course or at the end of the day.	An invitation for the satellite symposium (to be provided by the company to ESTRO) will be given to the participants upon registration to the course	€ 6,000
		Display of roll-up for promotion of the satellite symposium	
		Announcement of the satellite symposium on the ESTRO School website	
		The sponsor receives 5 complimentary registrations to the course. The registrations can be used by the sponsor's users, the company delegates or others with the prior approval of ESTRO	
Educational Contribution	Companies can be invited by the course director to provide an educational contribution to the course programme in the format of a demo or hands-on session or contribution to a forum	The educational contribution does not entitle the company to any other kind of visibility that the one provided within this educational contribution frame	Free

Live Courses

For the live courses, we also offer the possibility to sponsor:

- Lanyards
- Pens
- Notepads

These items will be distributed during all the live courses that take place during the year. The relevant booking form can be found [here](#).

We also offer the possibility to sponsor the following live activities:

- Welcome reception
- Social Dinner
- Faculty Dinner

Online Courses

Here are the opportunities for the online courses:

- Participation in the teaching course*
€ 2,650

*The participation of the company is defined by the Course Directors. Promotion of virtual company session by email blasts to participants of the online course is included in the package.

The financial contribution to the online courses includes a complimentary registration for one company delegate. Any additional company delegates will have to pay the regular registration fee.

All prices are VAT excluded.

For more information and pre-registration forms of the courses, you can directly contact:

Hande Van Gestel
M hyilmaz@estro.org

The 2024 ESTRO School Calendar will be available in the Guide in October.

Please note that the booth space prices will increase by 10% in 2024 in line with the inflation.

2023 ESTRO Workshops

The ESTRO workshops offer opportunities beyond what ESTRO offers in education meetings and congresses. It aims at facilitating scientific and professional networking opportunities and to create close interaction with developers in companies. The workshops are the perfect forum to share projects in their very initial stage, that would benefit from discussions with colleagues. We believe that by promoting these interactions we will capture scientific development that could be applied and have a real impact on the cure for cancer.

Following workshops are planned for 2023:

- 1_ **2023 ESTRO Physics Workshop**
13-14 October | Turin, Italy
- 2_ **2023 GEC-ESTRO Workshop**
16-17 November | Prague, Czech Republic

The information on the 2024 ESTRO Workshops will be included in the Guide by the end 2023.

Venue: **Turin, Italy**
 Date: **13-14 October 2023**
 Estimated number of participants: **approx. 150**
 Target audience: **Physics Community**

「General」

The ESTRO Physics Committee is delighted to announce the 6th ESTRO Physics Workshop 2023: **Science in Development**. The workshops are neither regular meetings based on invited talks and proffered papers, nor teaching courses. Instead, they aim to facilitate **scientific and professional networking** opportunities within the ESTRO physics community, physicists working in other areas and furthermore, create close interactions with industrial developers.

Format

- A list of topics is defined by the Physics Committee
- Participants are invited to register for one single topic – the number of participants is limited to stimulate discussion and guarantee interaction
- The workshop itself is a combination of invited talks by leading scientists and interactive participation by the delegates

Expected outcome

- Initiatives for new collaborative research
- Joint writing of a scientific paper or guidelines

「Key dates」

Description	Dates
Opening of booking	30 May 2023
Closure of booking	Availability depends on the venue First come, first served basis
Delivery of branded material to workshop venue	1-2 days prior to the event*

*Companies send their material directly to the venue.

「Sponsorship opportunities」

Opportunity	Description	Price
Booth	Booth space at the networking area (1 table, 2 chairs & backdrop or roll-up provided by sponsor)	€ 5,000
	2 exhibitors' registrations with access to the scientific sessions	
Sponsoring of lanyards	Logo of sponsor displayed on the lanyards provided to all participants, chairman and speakers	€ 2,000 + Production (300 units)
Workshop description (DIGITAL)	Name on workshop webpage + link to company website (including reporting on hits, clickthrough, etc)	€ 3,000
Email blast postcard	Company name + logo included in the email blast sent to all physics workshop participants	
Catering	Acknowledgement of the sponsor in the catering area at lunch time (roll-up, "sponsored by...")	TBC
Pack of 5 registrations	The sponsoring companies will receive an additional discount on all badge orders	10% discount
Roomdrop	Drop in hotel room of participants workshop (e.g. small functional gift)	€ 5,000
Brand at hotel entrance	Banner at hotel entrance where workshop takes place as of evening before event starts with possibility of "goodbye" banner on last day	
Brand on (DIGITAL) signage hotel	Brand mentioned on (DIGITAL) signage hotel	

All prices are VAT excluded.

*This option is only available for companies who do not have a booth at the workshop.

Sponsorship opportunities are also available to companies who do not have a booth space at the workshop.

Venue: **Prague**
 Date: **16-17 November 2023**
 Estimated number of participants: **approx. 200**
 Target audience: **Brachytherapy Community**

「General」

The upcoming GEC-ESTRO workshop on November 16-17, 2023, will cover exciting new aspects of brachytherapy, with each working group presenting and analysing a site-specific aspect of the modern image-guided brachytherapy.

The focus of this year's GEC-ESTRO workshop will be on the latest developments in the field of brachytherapy / interventional radiation therapy, particularly in the context of all competing local therapy modalities such as external beam radiation therapy and surgery – on developments and results making a difference in favour of the brachytherapy. These latest developments include particularly modern perspectives of imaging in brachytherapy, re-irradiation with brachytherapy, results of Phase 2 and Phase 3 trials, analyses of brachytherapy potentials for organ and function preservation and finally, the perspectives of education in brachytherapy in Europe.

Format

- Three topics are defined by the Brachytherapy Committee
- Participants are invited to register for one single topic – the number of participants is limited to stimulate discussion and guarantee interaction
- The workshop itself is a combination of invited talks by leading scientists and interactive participation by the delegates

Expected outcome

- Initiatives for joint creation of new scientific ideas and workflows, impacting daily practice
- Creation of networks for future collaboration

「Key dates」

Description	Dates
Opening of booking	30 May 2023
Closure of booking	Availability depends on the venue First come, first served basis
Delivery of branded material to workshop venue	1-2 days prior to the event*

*Companies send their material directly to the venue.

「Sponsorship opportunities」

Opportunity	Description	Price
Booth	Booth space at the networking area (1 table, 2 chairs & backdrop provided by sponsor)	€ 7,500
	2 exhibitors' registrations with access to the scientific sessions	
	Brand visibility on the ESTRO website	
Sponsoring of lanyards	Logo of sponsor displayed on the lanyards provided to all participants, chairman and speakers	€ 2,000 + Production (300 units)
Workshop description (DIGITAL)	Name on workshop webpage + link to company website (including reporting on hits, clickthroughs, etc)	€ 3,000*

	Possibility of promotional roll-up (to be provided by the sponsor) to be displayed in the registration area	
	Possibility to display promotional leaflets in the registration area (content to be approved by ESTRO)	
	Inclusion of the satellite symposium agenda in the workshop material	
	Inclusion of the satellite symposium agenda on the ESTRO website	
	Acknowledgement of the satellite symposium session by the chairman	

All prices are VAT excluded.

*This option is available for companies who do not have a booth at the workshop.

Sponsorship opportunities are also available to companies who do not have a booth space at the workshop.

Frequently Asked Questions

1. How many complimentary badges am I entitled to?

The number of complimentary badges you are entitled to depends on the sqm of your booth. ESTRO offers 3 exhibitor badges per 9 sqm rented.

- Gold Members receive 1 Regular + 2 Full Exhibitor badges per 9 sqm booked.
- Corporate Members receive 2 Regular + 1 Full Exhibitor badges per 9 sqm booked.
- Non-corporate members receive 3 Regular badges per 9 sqm booked.

2. What is the difference between Full Exhibitor Badge and Regular Exhibitor Badge?

The regular exhibitor badge gives access only to the exhibition. The full exhibitor badge gives access to the exhibition and the scientific sessions.

3. How do I register my delegates for the exhibitor badges?

ESTRO will send you an excel file to fill before the event. In this file, you can see the types and number of complimentary badges you are entitled to. Once you fill in this file and send it back to hyilmaz@estro.org, your registration will be done.

4. In addition to the complimentary badges I receive from ESTRO, how can I order extra exhibitor badges?

Once you have received the registration form from ESTRO, you can add the name of the delegates who need the additional badges and indicate in the file the type of badges you want. (full or regular)

5. Is it possible to register onsite?

Yes, it is also possible to do your registrations onsite. Please be aware that the prices might change onsite.

6. I need an invitation letter for my visa application. How can I receive it?

To receive a visa invitation letter from ESTRO, first you need to register your delegates who need a visa invitation letter. Once your delegates are registered to the congress, we will prepare an invitation letter including your registration number and send it to you via email. You can contact hyilmaz@estro.org for your visa invitation requests.

7. Can I receive the pre-registration list of participants?

Yes, it is possible to receive the list of pre-registered delegates to the congress. However, please note that you will only receive the list of individuals who have given ESTRO their consent to share their contact details with third parties.

8. Is lunch included in the registration fee?

The lunch is not included in the registration fee.

9. Can I organise meetings/social events during the Congress?

Yes, you can organise your meetings/social events **as long as** it does not overlap with the scientific programme and you should receive the written approval from ESTRO first. Please make sure to check the scientific programme on our website before planning any kind of events for the participants of the Congress.

10. Can I distribute flyers/brochures at the venue?

It is allowed only within the limits of your own booth. Any promotional activity outside your booth is strictly forbidden.

11. Can I provide my own catering in my booth?

You need to receive a written approval from the official catering company. Unless this permission is acquired, the exhibitors cannot provide catering in their booth.

12. How can I place my orders for the exhibition? (furniture, carpet, electricity etc.)

For ESTRO 2024, you can use the exhibitor portal created by GES. The link will be made available on our website closer to the event.

13. Is ESTRO responsible for the production of the roll-ups for the satellite symposia?

For the ESTRO annual Congress, you have 2 options. You can either produce your own roll-ups for your satellite symposium OR you can choose one of the extra branding packages we offer for your session and ESTRO can produce the roll-up for you.

For all other events, companies are responsible for the production and delivery of their own roll-ups.

14. Can we record our demo sessions during the congress?

Yes, exhibitors are allowed to film the activities taking place inside their own booth space. Please make sure to check our media policy on our website for any articles or posts related to the scientific programme or society in general.

15. How long do the sessions remain available on demand on the online congress platform ?

The online congress platform remains open 6 months after the event. Only participants with "full" registration can access the scientific sessions.
